Statement of Understanding:

It is agreed that if a permit is granted, the applicant or agent will save the City of Reedsburg clear of all damages or claims against it by any or all persons participating in sport activities or as spectators.

It is further agreed that the applicant or agent will leave all Nishan Park properties and softball diamonds in the same condition as the same was in when applicant began those activities.

All of the applicant's equipment and stock inventory must be removed and the area cleaned up by 10:00 am the day following the tournament.

It is further agreed that no material or dirt, except lime, may be added to ball diamonds and games must be called if conditions become so wet as to do excessive damage to the ball diamonds.

It is the City's policy to encourage all private users of City facilities to obtain liability coverage.
