

Reedsburg, WI
January 21, 2015

The Public Works Committee for the City of Reedsburg convened for their regular meeting, on January 21, 2015 at 6:00 p.m. in the Reedsburg Center Conference Room with the following members present:

Members Present: Dave Knudsen, Brandt Werner, Greg Borucki, Charlie Backeberg and Megan Cowan.

Also Present: Steve Zibell Public Works Director/City Engineer and Craig Douglas Fire Chief

Motion by Cowan seconded by Backeberg to approve the minutes from December 17, 2014 meetings.

Motion Carried

Zibell presented an estimate from Tri-State basement repair to replace the drain tile in the Fire Department basement at a cost of \$17,500. Zibell stated the existing tile is wrapped in fabric and the iron bacteria are plugging up the fabric. Tri-State would replace the tile with a 4" PVC drain tile and also remove the fabric around the three sump pits. Craig stated it would be nice to utilize the basement area since it works great for training. Zibell stated the water has steadily become worse in the basement over the last two years. Zibell stated the funding will come from the capital replacement fund; a new roof top HVAC unit was going to be replaced this year so this would be delayed until next year and the funds would be used for the drain tile. Motion by Werner seconded by Backeberg to accept the proposal from Tri-State basement repair and proceed.

Motion Carried

Motion by Werner seconded by Backeberg to adjourn.

Motion Carried

Adjourned at 6:15 p.m.
Respectively Submitted,

Steven T. Zibell, Public Works Director/City Engineer
City of Reedsburg
