The Public Works Committee for the City of Reedsburg convened for their regular meeting, on April 16, 2014 at 6:00 p.m. in the Reedsburg Center Conference Room with the following members present:

Members Present: Dave Knudsen, Brandt Werner, Megan Cowan, Charlie Backeberg and Greg Borucki.

Also Present: Steve Zibell Public Works Director/City Engineer, Ken Witt City Administrator Calvin Craker and Tim Becker Police Chief.

Motion by Backeberg seconded by Borucki to approve the minutes from March 19th, 2014.

Motion Carried

Zibell and Becker presented the crash data along Viking Drive. Zibell gave an option of possibly lowering the speed limit to 30 mph between Main and Huntington Park. Most of the discussion was about the driveways and how to deal with them. One option was to possibly close off or make it a right turn only the first driveway on the west from Main Street. Becker said he has talked to the owners about this issue and he would get back to them to discuss some options. The committee was aware that any of the driveway options needed cooperation with the property owners. Motion by Werner seconded by Backeberg to authorize the police Chief to negotiate with the Pierces and spend up to \$10,000 to eliminate the driveway or make it a right turn only.

Motion Carried

Motion by Backeberg seconded by Borucki to adjourn.
