

Reedsburg, WI
June 17, 2015

The Public Works Committee for the City of Reedsburg convened for their regular meeting, on June 17, 2015 at 6:00 p.m. in the Reedsburg Center Conference Room with the following members present:

Members Present: Brandt Werner, Dave Knudsen and Megan Cowan.

Also Present: Steve Zibell Public Works Director/City Engineer.

Motion by Knudsen seconded by Cowan to approve the minutes from May 20, 2015 meetings.

Motion Carried

Zibell presented the possibility of painting more curb along the driveways into the Hospital to prevent parking close to the drives. A representative from the Hospital spoke and stated they would like all parking taken of the east side of North Dewey and the south side of 21st Street. The committee didn't like this idea since they thought everyone would just park on the other side and create problems for the neighbors. Zibell stated there is an issue with the fall leaf pickup due to parking along the west side of Dewey. After a long discussion it was agreed upon to paint the curb yellow 25' on each side of all the driveways along Dewey and 21st Street. Motion by Cowan seconded by Knudsen to paint 25' each side of the Hospital and Clinic driveways along Dewey Ave and 21st St.

Motion Carried

Zibell discussed the possibility of replacing the railing on Main Street bridge. Zibell stated an estimate to replace the railing was approximately \$114,000. The committee thought this was too much and maybe best to try and repair the existing railing and paint it black. Zibell stated he talked to the County Highway Commissioner and he said the best way to paint the railing is just wire brush it and brush paint. As long as there is no sand blasting we don't have to get the DNR involved. The members decided it would be best to have someone fix the bad sections and then paint the railing. Motion by Cowan seconded by Knudsen to repair and paint the railing black.

Motion Carried

Zibell gave an update on current projects.

No Action

Motion by Knudsen seconded by Cowan to adjourn.

Motion Carried

Adjourned at 6:36 p.m.
Respectively Submitted,

Steven T. Zibell, Public Works Director/City Engineer
City of Reedsburg
