

Reedsburg, WI
December 17, 2014

The Public Works Committee for the City of Reedsburg convened for their regular meeting, on December 17, 2014 at 6:00 p.m. in the Reedsburg Center Conference Room with the following members present:

Members Present: Dave Knudsen, Brandt Werner, Greg Borucki and Megan Cowan.

Also Present: Steve Zibell Public Works Director/City Engineer and Ken Witt City Administrator

Motion by Knudsen seconded by Cowan to approve the minutes from October 15, 2014 meetings.

Motion Carried

Witt and Zibell discussed the current sewer connection charge of \$3,000 per connection although the past practice has been only to charge \$3,000 regardless of how many units. One idea is to charge a minimum of \$3,000 and then charge \$100 or \$200 per unit for every unit over three or four. Werner and the committee wanted more information on what other communities our size has been charging. No Action

No Action

Witt presented the RFP for the City Hall ceiling tile project. The committee had a question about the type of tile specified. Witt explained the tile in the specs was used in the old library building and it made sense for maintenance to have the same type of tile. Motion by Knudsen seconded by Cowan to approve the RFP and proceed.

Motion Carried

Zibell presented the RFP for the South Dewey Avenue construction project. Zibell stated the design funding is 100% city funded and construction is 80% Federal and 20% City. There was discussion about interviewing consultants but it was determined to get the proposals and go over them and have staff interview if necessary. Motion by Cowan seconded by Borucki to approve the RFP and proceed.

Motion Carried

Motion by Cowan seconded by Werner to adjourn.

Motion Carried

Adjourned at 7:00 p.m.
Respectively Submitted,

Steven T. Zibell, Public Works Director/City Engineer
