

Reedsburg, WI
April 20, 2016

The Public Works Committee for the City of Reedsburg convened for their regular meeting, on April 20, 2016 at 6:00 p.m. in the Reedsburg Center Conference Room with the following members present:

Members Present: Brandt Werner, Tom Seamonson, Dave Knudsen and Charlie Backeberg

Also Present: Steve Zibell Public Works Director/City Engineer

Motion by Seamonson seconded by Backeberg to approve the minutes from March 16, 2016 meetings.

Motion Carried

Zibell discussed possibly building sidewalks on a few vacant lots. The committee discussed parcels along Amber Court, Carousel Drive, Cambridge Court and Wynwood Circle. After a long discussion it was determined to only place sidewalk on Cambridge Ct. and Wynwood Circle more specifically Lots #2626-434, 2626-447 and 2626-33. Motion by Backeberg seconded by Seamonson to require the property owners of lot numbers 2626-434, 2626-447 and 2626-33 to install sidewalk on one side of the parcel to connect the sidewalk network by the end of this year.

Motion Carried

Zibell gave an update on the waste water treatment plant. Zibell discussed the possibility of replacing the blowers this year to help with summer loadings of BOD. Zibell also discussed the phosphorus options we are pursuing. One option is the statewide variance and the other option is adaptive management. Zibell stated we had some time to decide but the biggest issue is waiting for the EPA to rule on the statewide variance. Hopefully we will have some answers by this fall.

No Action

Motion by Knudsen seconded by Backeberg to adjourn.

Motion Carried

Adjourned at 6:55 p.m.
Respectively Submitted,

Steven T. Zibell, Public Works Director/City Engineer
City of Reedsburg
