

# City of Reedsburg Ordinance Committee Minutes July 28, 2014

Present: Bill Finnegan, Phil Peterson, Tom Seamonson.  
Absent: David Moon, Becky Peterson.  
Others: Ken Witt, Jim Gerlach, Brian Duvall, Jason Schulte, citizens, press.

Phil Peterson called the meeting to order at 6:00pm.

**Moved by Finnegan and seconded by Seamonson to approve minutes from the June 23, 2014 meeting. Motion carried 3-0.**

Brian Duvall gave background information on an ordinance change making the Historic Preservation Commission a certified commission. Concern over certifying a local property as a landmark over the property owners' objection was discussed. It would require both the Historic Preservation Commission and the City Council on appeal to certify a property, so there is a process for a citizen to follow that did not want their property certified. **Moved by Peterson and seconded by Seamonson to recommend approval of Ordinance amending Section 33 of the Reedsburg Municipal Code to make the Historic Preservation Commission a certified commission. Motion carried 3-0.**

**Moved by Seamonson and seconded by Finnegan to adjourn. Motion carried 3-0. Meeting adjourned at 6:27pm.**

Respectfully submitted,

Kenneth L. Witt
