**Narrative**

**On 7/4, I spoke with Brian who said that on 7/2 at approximately 2100 he had been in the Taco Bell/KFC drive through, when his vehicle, unit1 was struck from behind. Brian said that the male behind him operating unit2 said they should talk after they got through the line. Brian said that once they had passed through the drive through they met up and agreed to exchange information. Brian said unit2 was operated by a single male, who said he had struck him because the children were messing around behind him and he hit the accelerator. Brian said they then followed the male to 1230 Hill Crest so he could get his mother, Elizabeths insurance informaiton. Brian said that it had been two day and he still hadn't heard from either person, and wanted to report the property damage for his insurance.**
