

Reedsburg, WI  
March 18, 2020

The Public Works Committee for the City of Reedsburg convened for their regular meeting, on March 18, 2020 at 5:30 p.m. in the Reedsburg Center Conference Room with the following members present:

Members Present: Brandt Werner, Charlie Backeberg, Dave Knudsen, Calvin Craker and Jamison Sporadowski

Also Present: Steven Zibell

Motion by Knudsen seconded by Backeberg to approve the minutes from February 19, 2020 meetings.

Motion Carried

Zibell presented bids for curb, gutter, sidewalk, crushed aggregate, asphalt pavement, seal coating, and equipment rental. Zibell recommended to accept the low bids for each contract. Motion by Knudsen seconded by Backeberg to recommend the low bids for all 2020 street work contracts bid on 3/12/2020 to the Common Council.

Motion Carried

Zibell presented Resolution 4403-20 ordering the repair and installation of sidewalks on various streets in Area B of our sidewalk repair area map. Motion by Backeberg seconded by Craker to recommend Resolution 4403-20 to the Common Council.

Motion Carried

Zibell discussed a quote from All Sky Energy to possibly install some solar panels at the new Public Works building site. Zibell estimated the payback would be 10 to 12 years with no grant assistance although if we can get a grant this would reduce the payback period. Knudsen and Werner thought we should pursue this option and see if we can get a grant. Zibell stated this would be built toward the end of the building construction or could even be built after completion since the general contractor will be placing a conduit out to the proposed solar pane location.

No action

Motion by Knudsen seconded by Backeberg to adjourn.

Motion Carried

Adjourned at 6:00 p.m.  
Respectively Submitted,

Steven T. Zibell, Public Works Director/City Engineer  
City of Reedsburg
