

Reedsburg, WI  
August 19, 2020

The Public Works Committee for the City of Reedsburg convened for a special meeting, on August 19, 2020 at 5:30 p.m. in the Reedsburg Center Conference Room with the following members present:

Members Present: Dave Knudsen, Calvin Craker, Charlie Backeberg and Jamison Sporadowski

Also Present: Steven Zibell

Motion by Craker seconded by Sporadowski to approve the minutes from July 15, 2020 meeting.

Zibell presented a DOT the City received for K Street from South Albert west to the City Limits. The City portion would be approximately \$128,000 plus design cost since this would be a DOT project a consultant is needed to go thru the DOT process. Zibell presented a proposal from Strand Associates to complete this project possibly in 2022 or the latest 2023. There was considerable discussion amongst the members to make sure we keep this to the budget as best we can since the South Dewey project ended up more than was expected. Motion by Craker seconded by Backeberg to proceed with the project using Strand as a design consultant and keeping the cost within budget according to the DOT contract.

Motion Carried

Motion by Craker seconded by Backeberg to adjourn.

Motion Carried

Adjourned at 6:00 p.m.  
Respectively Submitted,

Steven T. Zibell, Public Works Director/City Engineer  
City of Reedsburg
