

Reedsburg WI.
September 27, 2018

The Reedsburg Airport Commission convened in session on September 27, 2018 at 7:30 am with the following members present: Mike Gargano, John Chamberlin, Todd Polk and Jason Schulte

Also Present: Steven Zibell, Tom Parker, Rob Uphoff, Dave Mickonowitz and Mike Hinze.

Motion by Chamberlin second by Schulte to approve the minutes from the July 26, 2018 meeting.

Motion Carried

Rob Uphoff from MSA presented the Viking Drive alternative route plan along with traffic counts along E. Main Street from Viking Drive to Dewey Avenue. Rob discussed 4 options to the Commission one that had no impact to the Airport and others that did have some impact. Mike Hinz was also present and he stated the next steps would be to get a recommendation from Public Works and Council to move forward with the plan and then have a meeting with the WBOA to decide how to move forward. The Commission discussed all the options presented and were in agreement they would like to minimize impact to the airport but realized for safety and logistics the better options do have some impact to airport property. Motion by Schulte seconded by Chamberlin to move forward and recommend to Public Works and Common Council to move forward with the planning process and discuss with WBOA.

Motion Carried

Moved by Chamberlin second by Schulte to adjourn at 8:20 am.

Motion Carried.

Respectively Submitted,

Steven T. Zibell, Public Works Director/City Engineer
