Re: Operator's License Application – Amber Schell

I received an application for an operator's permit from Amber Schell. Prior to submission to the Ordinance Committee, I perform a background investigation to determine of the applicant qualifies within the City's accepted guidelines.

Ms. Schell has the following convictions:

11/10/12	**Possession of THC (Marijuana)**
11/26/12	**OWI 1st Offense**
12/14/12	**OWI 2nd Offense**
09/09/13	**OWI 3rd Offense**

Guideline 2: The City of Reedsburg Policy Guidelines prohibits the issuance of an Operator's License to anyone who has been convicted of "drug related offenses including, but not necessarily limited to, the sale or possession of narcotics or other controlled substances…" within the past five years.

Guideline 5: Any applicant who is a habitual law offender will not be eligible for an alcohol beverage license. A habitual law offender shall include, but not necessarily limited to, an applicant, other than an applicant for a retail license, who has been convicted of, or charged with, 4 or more violations of any rule, ordinance, statute or law, within the 5 years before the most recent application, the circumstances of which violations substantially relate to the licensed activity.

Based on the City Guidelines, Ms. Schell would be prohibited from being issued a license until November 11, 2017, barring any other violations that could affect her ability to be licensed.

STAFF REPORT

AGENDA ITEM: III-A

To: Mayor and Common Council
Prepared By: Tim Becker, Chief of Police
Through: Stephen P. Compton, City Administrator
Date of Meeting: February 27, 2017 [Introduction February 13, 2017]

Subject: Adopt ss942.09 Representations Depicting Nudity (Inclusion into Municipal Code Chapter 9)
2nd Reading and Public Hearing – Ordinance 1839-17

BACKGROUND AND REQUEST

The Police Department is requesting the City adopt ss942.09 – Representations Depicting Nudity as a local ordinance. This adoption would permit officers to issue citations for this offense in cases of State prosecutorial denial or the incident does not rise to the level of State charging.

ANALYSIS

State Statute 942.09 covers situations where partially clothed or nude photographs were covertly obtained without the consent of the photographed person. The majority of these cases will be initially charged through Circuit Court but depending on the strength of the case or the age of the defendant may be denied prosecution. Having the ability to charge these offenses in Municipal Court will permit the Department to hold the offender to some degree of responsibility.

STAFF RECOMMENDATION

Staff recommends approval of this adoption into the Reedsburg City Code, section 9.05(1)(CC).
Actions: 2nd reading Ordinance 1839-17, hold Public Hearing set for this evening.

(bn) A person who commits a violation specified under par. (b) is guilty of a Class H felony if the person represented in violation of par. (a) had not, at the time of the violation, attained the age of 18 years.

History: 1995 a. 249; 2001 a. 16; 2001 a. 33 ss. 2 to 13; Stats. 2001 s. 942.09; 2001 a. 109; 2007 a. 118; 2013 a. 243; 2015 a. 292, 320, 370; s. 13.92 (1) (bm) 2., (2) (i).

Sub. (2) (a) [now sub. (2m) (a) 1.] requires that the person who is depicted nude is in a circumstance in which he or she has an assumption that he or she is secluded from the presence or view of others, and that assumption is a reasonable one under all the circumstances, according to an objective standard. State v. Nelson, 2006 WI App 124, 294 Wis. 2d 578, 718 N.W.2d 168, 05-2300.

A "legitimate expectation of privacy" for purposes of a search or seizure under the 4th amendment is not consistent with the context and purpose of this section. The 4th amendment embodies a balance between society's interest in law enforcement and the privacy interest asserted by the individual that is not relevant to this section. Construing "reasonable expectation of privacy" according to its common meaning does not render the statute unconstitutionally vague and provides sufficient notice of the conduct prohibited under sub. (2) (a) [now sub. (2m) (a) 1.]. State v. Nelson, 2006 WI App 124, 294 Wis. 2d 578, 718 N.W.2d 168, 05-2300.

Nelson did not purport to provide a definition of reasonable expectation of privacy covering all circumstances. The question for purposes of the privacy element is not whether the nude person had a reasonable expectation that the defendant would view him or her nude at the time of the recording, but whether the nude person had a reasonable expectation, under the circumstances, that he or she would not be recorded in the nude. State v. Jahnke, 2009 WI App 4, 316 Wis. 2d 324, 762 N.W.2d 696, 07-2130.

Permission to be viewed in the nude does not mean permission to be recorded in the nude, and permission to engage in sexual acts with someone does not mean permission to record that person in the nude. That the defendant and the woman who was recorded were

City of Reedsburg

engaged in the crime of prostitution does not mean that the woman relinquished her reasonable expectation of privacy under sub. (2) (am) 1. State v. Adams, 2015 WI App 34, 361 Wis. 2d 766, 863 N.W.2d 640, 14-1158.

Nelson did not add a "legitimate reason" exception to the reasonable expectation of privacy prong of the statute. Recording someone nude in violation of sub. (2) (am) 1. in order to protect against possible adverse scenarios is not a legitimate reason or defense. State v. Adams, 2015 WI App 34, 361 Wis. 2d 766, 863 N.W.2d 640, 14-1158.

Putting existing images into a sexual context is not the same as making the images. The defendant created something new by cutting images of girls out of larger photographs, isolating each cropped image on a page in a notebook, and adding sexual comments. But the defendant did not, under any common definition of the term, "make" new visual representation of the girls under sub. (1) (a). State v. Chagnon, 2015 WI App 66, 364 Wis. 2d 719, 870 N.W.2d 27, 14-2770.

The phrase "stores in any medium data that represents a visual image" in sub. (1) (a) refers to the creation of images by digital means. The term does not include the mere possession of visual images. State v. Chagnon, 2015 WI App 66, 364 Wis. 2d 719, 870 N.W.2d 27, 14-2770.
