David Estes,
Mayor, City of Reedsburg
May 14, 2018

To: Mayor Estes and Common Council
From: Brian Duvalle
Subject: 2017 Development Report

Dear Mayor and Alderpersons,

The following is a summary of planning/zoning, building inspection, and code enforcement for 2017.

PLANNING / ZONING

- Co-chair of Design Reedsburg planning workshop. Weekly meetings were held to plan for the event which occurred May 4-7.
- Renewed Bird City Wisconsin status for Year 4.
- Adopted right-of-way ordinance.
- The Plan Commission approved 15 Conditional Uses/Site Plans, six CSMs/Plats and four rezoning requests.
- The Zoning Board of Appeals approved seven zoning variances.
- Amendments to the zoning ordinance: tourist housing, employee housing, sign ordinance, four rezonings, and one annexation.
- Approved by the CDA – sale of 140 Eagle St (former concrete plant), sale of 101 Vine St (RAHS flip), Business Incubator Plan update, and Double Dip incubator start-up.
HISTORIC PRESERVATION COMMISSION

- Hosted and assisted with the annual conference for the WI Association of Historic Preservation Commissions held April 28-29 at the Voyager Inn. The Commission also won an award for the Nishan Park sign during the conference.
- Completed and installed sign commemorating the former Creamery at the current Harvest Park site.
- Completed and installed sign commemorating Herbert Webb at Webb Park.
- Completed Sorom Park sign; will be installed spring 2018.
- Completed second bus tour in conjunction with the Log Village chicken BBQ on Memorial Day weekend.
- Assisted with Cookies with Santa fundraiser at Parkview B&B. The event sold 151 tickets and raised $625 for the HP Commission.

REEDSBURG INDUSTRIAL & COMMERCIAL DEVELOPMENT COMMITTEE

The RICDC worked on several matters in 2017 including:

- Hanks craft – Business Assistance Grant
- Sharratt Warehouse
- Frac sand shipping proposal
- Renegade storage building
- Reedsburg Hardwoods kiln

FLOODPLAIN

- Renewed another year of FEMA’s Community Rating System (CRS). We are approved for Class 6, which means a 20% reduction in flood insurance premiums (10% for properties outside the floodplain). Every CRS community is re-evaluated every five years with Reedsburg scheduled for 2018.

BUILDING

There were a total of 308 permits issued in 2017 including 13 new single-family houses, four duplexes, and seven new mobile homes. Some notable examples of new or remodeled commercial construction include:

- Sharratt Warehouse
- RAMC Addition
- Lakeside employee housing
- Viking Drive apartments
CODE ENFORCEMENT

Code enforcement is initiated both by complaints received and violations discovered by myself. There were 148 properties with complaints/violations last year.

Grass/Weeds – 54  
Junk Vehicle – 11  
No Permit/Violation – 34  

Junk – 34  
Codebook/Health/Other – 31  
Bldg. Repairs/Dilapidation – 9
Some properties had more than one violation for an overall total of 173.

Examples of violations in the ‘Codebook…’ category include mold, vermin, erosion control, tree limbs, and water disconnections among others.

STAFF REPORT

AGENDA ITEM: II-D

To: Mayor and Common Council, Boards and Department Heads
Prepared By: Stephen P. Compton, City Administrator
Date of Meeting: May 14, 2018

Subject: Annual Code of Ethics Review

BACKGROUND AND REQUEST

The purpose of this Ethics Code is to establish guidelines for ethical standards of conduct for all such officials and employees by setting forth those acts or actions that are incompatible with the best interests of the City of Reedsburg and by directing disclosure by such officials and employees of private financial or other interests in matters affecting the City.

ANALYSIS

The Common Council believes that a Code of Ethics for the guidance of elected and appointed officials and employees will help them avoid conflicts between their personal interests and their public responsibilities, will improve standards of public service and will promote and strengthen the faith and confidence of the citizens of this City in their elected and appointed officials and employees.

STAFF RECOMMENDATION

Each year between May 1st and May 31st each public official, Mayor, the chair of each board, commission or committee and through the City Administrator, each department head shall review the provisions of the Ethics Code and certify that such review has occurred. (See last Page of Staff Report)

1.20 CITY OF REEDSBURG CODE OF ETHICS

(1) Statement of Purpose

(A) The proper operation of democratic government requires that public officials and employees be impartial and responsible to the people; that government decisions and policy be made in proper channels of the governmental structure; that public office not be used for personal gain; and that the public have confidence in the integrity of its government. In recognition of these goals, there is hereby established a Code of Ethics for all City of Reedsburg officials and employees, whether elected or appointed, paid or unpaid, including members of boards, committees and commissions of the City, as well as any individuals who are candidates for elective office as soon as such individuals file nomination papers with the City.

(B) The purpose of this Ethics Code is to establish guidelines for ethical standards of conduct for all such officials and employees by setting forth those acts or actions that are incompatible with the best interests of the City of Reedsburg and by directing disclosure by such officials and employees of private financial or other interests in matters affecting the City. The Common Council believes that a Code of Ethics for the guidance of elected and appointed officials and employees will help them avoid conflicts between their personal interests and their public responsibilities, will improve standards of public service and will promote and strengthen the faith and confidence of the citizens of this City in their elected and appointed officials and employees. The Common Council hereby reaffirms that each elected and appointed City official and employee holds his or her position as a public trust, and any intentional effort to realize substantial personal gain through official conduct is a violation of that trust. The provisions and purpose of this Ethics Code and such rules and regulations as may be established are hereby declared to be in the best interests of the City of Reedsburg.

(2) Definitions

The following definitions shall be applicable in this Code:

(A) “Public Official” means those persons serving in elected or appointed offices and all members appointed to boards, committees and commissions established or appointed by the Mayor and/or Common Council whether paid or unpaid.

(B) “Public Employee” means any person excluded from the definition of a public official who is employed by the City.

(C) “Anything of Value” means any gift, favor, loan, service having a value of more than $25.00 or promise of future employment, but does not include reasonable fees and honorariums, or the exchange of seasonal, anniversary or customary gifts among relatives and friends.

(D) “Business” means any corporation, partnership, proprietorship, firm, enterprise, franchise, association, organization, self-employed individual or any other legal entity which engages in profit-making activities.

(E) “Personal Interest” means the following specific blood or marriage relationships:
   1. A person’s spouse, mother, father, child, brother or sister; or
   2. A person’s relative by blood or marriage who receives, directly or indirectly, more than one-half (1/2) of his or her support from such person or from whom such person receives, directly or indirectly, more than one-half (1/2) of his or her support.

(F) “Significant Interest” means owning or controlling, directly or indirectly, at least ten percent (10%) or Five Thousand Dollars ($5,000.00) of the outstanding stock of any business.

(G) “Financial Interest” means any interest, which shall yield, directly or indirectly, a monetary or other material benefit to the officer or employee or to any person employing or retaining
the services of the officer or employee.

(3) Statutory Standards of Conduct
There are certain provisions of the Wisconsin Statutes which should, while not set forth herein, be considered an integral part of any Code of Ethics. Accordingly, the provisions of the following sections of the Wisconsin Statutes, as from time to time amended, are made a part of this Code of Ethics and shall apply to public officials and employees whenever applicable, to wit:

(A) Sec. 946.10. Bribery of Public Officers and Employees.
(B) Sec. 946.11. Special Privileges from Public Utilities.
(C) Sec. 946.12. Misconduct in Public Office.
(D) Sec. 946.13. Private Interest in Public Contract Prohibited.
(E) Sec. 19.41 et. seq. Code of Ethics for Public Officials and Employees.

(4) Responsibility of Public Office. Public officials and employees are agents of public purpose and hold office for the benefit of the public. They are bound to uphold the Constitution of the United States and the Constitution of this State and carry out impartially the laws of the nation, state and municipality, to observe in their official acts the highest standards and to discharge faithfully the duties of their office regardless of personal consideration, recognizing that the public interest must be their prime concern.

(5) Dedicated Service. Officials and employees shall adhere to the rules of work and performance established as the standard for their positions by the appropriate authority. Officials and employees shall not exceed their authority or breach the law or ask others to do so, and they shall work in full cooperation with other public officials and employees unless prohibited from so doing by law or by officially recognized confidentiality of their work. Members of the City staff are expected to follow their appropriate professional code of ethics.

(6) Fair and Equal Treatment
(A) Use of Public Property. No official or employee shall use or permit the unauthorized use of City-owned vehicles, equipment, materials or property for personal convenience or profit, except when such services are available to the public generally or are provided as City policy for the use of such official or employee in the conduct of official business, as authorized by the Common Council or authorized board, commission or committee.

(B) Obligations to Citizens. No official or employee shall grant any special consideration, treatment or advantage to any citizen beyond that which is available to every other citizen. No official or employee shall use or attempt to use their position with the City to secure any advantage, preference or gain, over and above his or her rightful remuneration and benefits, for themselves or for a member of their immediate family.

(C) Political Contributions. No official shall personally solicit from any City employee, other than an elected official, a contribution to a political campaign committee for which the person subject to this Code is a candidate or treasurer.

(7) Conflict of Interest
(A) Financial and Personal Interest Prohibited.
1. No official or employee of the City, whether paid or unpaid, shall engage in any business or transaction or shall act in regard to financial or other personal interest, direct or indirect, which is incompatible with the proper discharge of official duties in the public interest contrary to the provisions of this Code or which would tend to impair
independence of judgment or action in the performance of official duties.

2. Any member of the Common Council who has a financial interest or personal interest in any proposed legislation before the Common Council shall disclose on the records of the Common Council the nature and extent of such interest; such official shall not participate in debate or vote for adoption or defeat of such legislation. If the matter before the Council involves a member's personal interest with persons involved, the member may participate in debate or discussion and vote on the matter following disclosure, unless an ordinance or contract is involved; if an ordinance or contract is involved, such official shall not participate in debate or discussion and vote on the matter.

3. Any non-elected official, other than a City employee, who has a financial interest or personal interest in any proposed legislative action of the Common Council or any board, commission or committee upon which the official has any influence or input or of which the official is a member that is to make a recommendation or decision upon any item which is the subject of the proposed legislative action shall disclose on the records of the Common Council or the appropriate board, commission or committee the nature and extent of such interest. Such official shall not participate in debate or discussion or vote for adoption or defeat of such legislation.

4. Any City employee who has a financial interest or personal interest in any proposed legislative action of the Common Council or any board, commission or committee upon which the employee has any influence or input, or of which the employee is a member, that is to make a recommendation or decision upon any item which is the subject of the proposed legislative action shall disclose on the records of the Common Council or the appropriate board, commission or committee the nature and extent of such interest.

(B) Disclosure of Confidential Information. No official or employee shall, without proper legal authorization, disclose confidential information concerning the property, government or affairs of the City, nor shall such information be used to advance the financial or other private interests of the official or employee or others.

(C) Gifts and Favors

1. No official or employee, personally or through a member of his or her immediate family, may solicit or accept, either directly or indirectly, from any person or organization, money or anything of value if it could be expected to influence the employee's official actions or judgments or be considered a reward for any action or inaction on the part of the official or employee.

2. No official or employee, personally or through a member of his or her immediate family, shall accept any gift, whether in the form of money, service, loan, thing or promise, from any person which may tend to impair his or her independence of judgment or action in the performance of his or her duties or grant in the discharge of his or her duties any improper favor, service or thing of value. However, it is not a conflict of interest for any public official or employee to receive a gift or gratuity that is an unsolicited item of nominal intrinsic value such as a meal, and that is not intended to influence the official. Any official or employee who receives, directly or indirectly, any gift or gifts from any person who is known by said official or employee to be interested, directly or indirectly, in any manner whatsoever in business dealings with the City upon which the official or employee has any influence or input or over which the official or employee has any jurisdiction, discretion or control shall disclose the nature and value of such gifts to the Common Council by January 15 next following the year in which the gift or gifts are received.
3. An official or employee is not to accept hospitality if, after consideration of the surrounding circumstances, it could reasonably be concluded that such hospitality would not be extended were it not for the fact that the guest, or a member of the guest’s immediate family, was a City official or employee. Participation in celebrations, grand openings, open houses, informational meetings and similar events are excluded from this prohibition. This paragraph further shall not be construed to prevent candidates for elective office from accepting hospitality from citizens for the purpose of supporting the candidate’s campaign.

4. Gifts received by an official or employee or his or her immediate family under unusual circumstances shall be referred to the Common Council within ten (10) days of receipt for recommended disposition. Any person subject to this Code who becomes aware that he is or has been offered any gift, the acceptance of which would constitute a violation of this Subsection, shall, within ten (10) days, disclose the details surrounding said offer to the Common Council. Failure to comply with this reporting requirement shall constitute an offense under this Code.

(D) Representing Private Interests before City Agencies or Courts.
1. Non-elected City officials and employees shall not appear on behalf of any private person (other than himself or herself, his or her spouse or minor children) before any City agency, board, commission or the Common Council if the official or employee or any board, commission or committee of which the official or employee is a member has any jurisdiction, discretion or control over the matter which is the subject of such representation.

2. Elected City officials may appear before City agencies on behalf of constituents in the course of their duties as representatives of the electorate or in the performance of public or civic obligations. However, the disclosure requirements of Subsection (a) above shall be applicable to such appearances.

(E) Ad Hoc Committee Exceptions. No violation of the conflict of interest restrictions of this Section shall exist, however, where an individual serves on a special ad hoc committee charged with the narrow responsibility of addressing a specific issue of topic in which that individual, or the employer or a client of that individual, has an interest so long as the individual discloses to the Common Council that such interest exists.

(F) Contracts with the City. No City official or employee who, in his or her capacity as such officer or employee, participates in the making of a contract in which he has a private pecuniary interest, direct or indirect, or performs in regard to that contract with some function requiring the exercise of discretion on his or her part shall enter into any contract with the City unless, within the confines of Wis. Stat. sec. 946.13:

1. The contract is awarded through a process of public notice and competitive bidding or the Common Council waives the requirement of this Section after determining that it is in the best interest of the City to do so.

2. The provisions of this Subsection shall not apply to the designation of a public depository of public funds.

(8) Ethics Board. (Rev. 7-26-10)
(A) The ethics board shall consist of five members. The membership of the ethics board shall consist of four citizens and one alderperson. The non-alderperson members shall not be an elected official, full-time appointed official or City employee, nor shall the non-council
members be currently serving on any other City board, commission or committee. The city attorney shall furnish the board any legal assistance necessary to carry out its functions.

(B) Ethics Board members shall be appointed by the mayor, subject to confirmation by the council. Initial terms of office shall be one citizen shall be appointed for two years, one citizen will be appointed for one year, and two citizens will be appointed for three years. There after all terms shall be three years. Terms begin May 1 of the respective year. Each year the Mayor shall appoint the alderperson at the annual reorganization meeting. Three members shall constitute a quorum of the Board.

(C) The Ethics Board shall elect its own chair.

(D) The Ethics Board may make recommendations to the common council with respect to amendments of this code of ethics.

(E) Any person covered by this Ethics Code may apply in writing to the Board for an advisory opinion regarding the propriety of any matter to which the person is or may become a party. The Board shall meet to review such a request for an advisory opinion and may advise the person making the request. Advisory opinions and requests, therefore, shall be in writing and shall state all material facts. It shall be prima facia evidence of intent to comply with this Ethics Code when a person refers a matter to the Board and abides by the advisory opinion of the Board if the material facts are as stated in the opinion request. Meetings held by the Board for deliberation and action upon such application shall not be open to the public nor shall a non-member Common Council member or the Mayor be authorized to attend any such meeting of the Board unless requested to do so by the Board. Advisory opinions rendered by the Board shall be in writing and shall state the material facts upon which the opinion is based. A record of the Board's opinions, opinion requests and investigations of violations shall be closed to public inspection as required by Chapter 19, Wis. Stat. Except as provided by §19.59(5)(b), Wis. Stats., the Board shall not make public the identity of any person requesting an advisory opinion or of persons or organizations mentioned in the opinion. If the Board determines that an advisory opinion rendered by the Board would be of significant value to other officials or employees, the Board may issue a summary of the opinion provided that the summary does not disclose the identity of the person originally requesting the advisory opinion. In all cases, the Board may request an advisory opinion from the City Attorney.

(F) All complaints alleging that an official or employee committed a violation of this Ethics Code shall be addressed to the Ethics Board and shall be filed with the City Clerk. All such Complaints shall be in writing and verified and shall state the name of the official or employee alleged to have committed a violation of this Ethics Code and shall further state the evidentiary facts supporting the charge.

(G) Within 14 days after the filing of a properly verified complaint with the City Clerk, the Board shall meet to review the complaint. Within three business days after its initial review of the complaint, the Board shall mail a copy of the Complaint to the respondent by certified mail or shall have a copy of the Complaint delivered to the respondent by personal service.

(H) Following its initial review of a verified complaint, the Board may make a preliminary investigation with respect to each alleged violation of this Ethics Code. No preliminary investigation of an alleged violation of this Ethics Code may be initiated until a copy of the Complaint and notice of the Board's intent to investigate the charge has been mailed by certified mail to the respondent or personally served upon the respondent. The preliminary investigation shall be completed within 30 days after the date that the Complaint and notice thereof is mailed to the respondent or personally served upon the respondent except the
Board may extend the investigation period for up to an additional 60 days with notice to the respondent and to the complainant.

(I) If, after its preliminary investigation, the Board finds that probable cause does not exist for believing that the respondent violated this Ethics Code, it shall dismiss the Complaint. The Board shall promptly notify the complainant and the respondent by certified mail or personal service of its decision dismissing the Complaint. The Board’s decision to dismiss a complaint shall be final. The same complaint or a complaint which is substantially similar to the dismissed complaint shall not be reconsidered by the Board unless within 20 days of the Board’s mailing or personal service of its Dismissal Order, the complainant files with the Board additional material facts which were not available to the complainant at the time the original Complaint was filed and which, if true, would probably change the Board’s decision. The Board’s decision to reconsider or not to reconsider a decision under this subsection shall be final. If the Board determines that a verified complaint was brought for harassment purposes, the Board shall so state in its decision.

(J) If, after its preliminary investigation, the Board finds that probable cause does exist for believing the allegations of the Complaint, it shall conduct a hearing on the matter. The hearing shall be held not more than 60 days after the Board’s finding of probable cause. The Board shall give the respondent and complainant written notice of the hearing date by mailing a notice thereof to the respondent and to the complainant by first class mail at least 20 days prior to the hearing date thereof. The hearing shall be held in closed session except that the respondent shall have a right to demand that the hearing be held in open session and, upon such demand, the Board shall conduct the hearing in open session.

(K) The chairperson of the Board shall preside over the proceedings and the City Attorney shall provide legal assistance to the Board as needed. The complainant and the respondent may be represented by an attorney and the respondent may also be represented by a union representative. Both parties may compel the attendance of witnesses by Subpoenas. Subpoenas may be issued by the Chairperson of the Board pursuant to §885.01, Wis. Stats. Each party shall be responsible for serving subpoenas on their respective witnesses and for paying any witness and mileage fees to the witness as required by the Wisconsin Statutes.

(L) All testimony of witnesses at the proceedings shall be given under oath, administered by the Chairperson in the form and manner prescribed by the Wisconsin Statutes. A record of the testimony may be made by stenographic, electronic or other recording method, as the Board determines. The record produced at the direction of the Board shall be the official record of the proceeding. The proceedings may be adjourned or continued by the Board from day to day until completed.

(M) The proceedings shall be conducted in the following order:
1. Statement of the issues and rules by the Chairperson.
2. Brief factual summaries, if any, by both sides.
3. Presentation of testimony and the introduction of evidence by the complainant to substantiate the charge.
4. Cross examination of witnesses by the respondent.
5. One additional opportunity to question witnesses by the complainant.
6. One additional opportunity to cross-examine witnesses by the respondent.
7. Presentation of the base for the respondent.
8. Repeat of steps (4), (5) and (6) regarding witnesses and evidence produced on behalf of the respondent.
9. Opportunity for each side to present evidence in rebuttal of any evidence presented by
the opposing side.
10. Brief closing arguments, if any, by both sides.

(N) The Board shall not be bound by common law or statutory rules of evidence and the Board shall hear all evidence having reasonable probative value, but shall exclude immaterial, irrelevant, or unduly repetitious testimony or evidence. Basic principles of relevancy, materiality and probative force shall govern this proceeding. Hearsay evidence will not be permitted where direct evidence is reasonably available. The Board will not base crucial or essential evidentiary findings on hearsay evidence. Objections to evidentiary offers and offers of proof of evidence not admitted may be made and shall be noted in the record. All evidence, including records and documents, shall be duly offered and made a part of the record. The Chairperson shall rule on any objections or procedural matters. Any member of the Board and the City Attorney may ask questions of the witnesses. No party or witness shall be permitted to ask questions of any Board member during the proceedings, unless expressly authorized by the Chairperson.

(O) The Board shall deliberate in closed session.

(P) Within 10 working days of the conclusion of the hearing, the Board shall file its written Findings of Fact, Conclusions of Law and Recommendations signed by a majority of the participating members and concerning the propriety of the conduct of the respondent. Any member of the Board may indicate his/her dissent to the written Order. If the Board determines that no violation of the Code of Ethics has occurred, it shall dismiss the Complaint, and if requested to do so by the respondent, the Board shall issue a public statement in that regard. If the Board finds that clear, satisfactory and convincing evidence exists for believing the allegations of the Complaint, the Board shall refer its findings, conclusions and recommendation to the Common Council or to other proper City Authority, and/or, in the case of an employee, to the City Administrator and/or the Mayor as deemed appropriate. In its recommendation, the Board may recommend that the Common Council order the official or employee to conform his or her conduct to the Ethics Code or recommend that the official or employee be cautioned, censured, suspended, removed from office, issued a private reprimand, public reprimand, and, in the case of an employee, may also recommend suspension without pay, discharge, or other appropriate disciplinary action. In appropriate cases, the Board may recommend the referral of the matter to the District Attorney to commence enforcement proceedings pursuant to the procedures and remedies of §19.59, Wis. Stats.

(Q) Records obtained or prepared by the Board in connection with an investigation of a violation of this Ethics Code shall not be open for public inspection, except that the Board shall permit public inspection of records of a hearing conducted in open session pursuant to the request of the respondent as provided in subsection (J) hereof. Whenever the Board refers an investigation and hearings record to a District Attorney, the District Attorney may make public such records in the course of a prosecution initiated thereon.

(R) The time frames set forth in this Ethics Code specifying Board action are not jurisdictional and the Board may, where appropriate, extend any time period as necessary.

(9) Distribution of Ethics Code

(A) The City Clerk shall cause a copy of this Code of Ethics to be distributed to every public official and employee of the City within 30 days after enactment of this section. Each public official and employee elected, appointed or engaged thereafter shall be furnished a copy before entering upon his or her duties.

(B) Each public official, Mayor, the chairman of each board, commission or committee and
through the City Administrator, the head of each department, shall, between May 1st and May 31st each year, review the provisions of this code with their fellow council members or board, commission, committee members or subordinates, as the case may be, and certify to the City Clerk by June 15 that such annual review had been undertaken. A notice of this Ethics Code shall be continuously posted on the City bulletin boards wherever situated.

**(C)** Each public official and employee shall, in connection with pars (a) and (b) above, also complete and file with the City Clerk, as appropriate, the following statement of understanding:

> "I have read and understand the contents of the City of Reedsburg Ethics Code, including the attached State statutes.* I also understand that I am expected to adhere to and conduct myself according to rules, guidance and direction as set forth in the Ethics Code.” *(946.10 through 946.13; and, 19.41 et seq.)*

**(10) Employees Covered by Collective Bargaining Agreements.** In the event an employee, covered under a collective bargaining agreement, is allegedly involved in an Ethics Code violation, the terms and conditions set forth in the applicable collective bargaining agreement shall prevail in the administration and interpretation of this Ethics Code.

**(11) Sanction.** A determination that an employee’s actions constitute improper conduct under the provisions of this Code may constitute a cause of suspension, removal from office or employment or other disciplinary action. Sanctions, including any disciplinary action, which may affect employees covered under a labor agreement will be consistent with the terms and conditions set forth in the applicable labor agreement.

**(12) Police Officers and Firefighters.** When an ethics complaint has been filed against a police officer or firefighter or the Chief of either the Police or Fire Department, the procedure shall be performed in accordance with the provisions of Wis. Stat. sec. 62.13.

**(13) Penalties.** Violation of any provision of this Code should raise conscientious questions for the incumbent concerned as to whether voluntary resignation or other action is indicated to promote the best interests of the City of Reedsburg. For non-elected officials or City employees, violation may constitute a cause for suspension, removal from office or employment, or other disciplinary action. As an alternative or an addition to the sanctions imposed herein, any person violating the provisions of this sanction shall be subject to a nonreimbursable forfeiture of not less than one hundred ($100) dollars nor more than five hundred ($500) dollars.

DESCRIPTION OF THE PROJECT

Describe in detail the proposed project (attach additional sheets if necessary): The HP Commission will be ordering a bronze marker for Anna Stone Park. It will provide historical info on Anna Stone and A.P. Ellinwood.

Location of Project (projects must be in the City limits) Anna Stone Park

How will the project recognize the contribution from the Webb Fund? The marker will state that funding was provided by the Webb Fund.

How will the project benefit the city of Reedsburg? It will provide a historical summary of who Anna Stone was and the importance to Reedsburg of A.P. Ellinwood.
Herbert Webb Trust Fund Policies

1. Proposals should be for a substantial item or project and have a useful life of at least three years. Proposals should be consistent with the general outlines of the Herbert Webb Trust Fund.

2. Each item or project will be approved on a case-by-case basis.

3. Items or projects must be located within the city limits of Reedsburg.

4. A dedication plaque is required, which must be presented at City Hall before payment is released and may not be purchased with Webb Fund Money.

5. The Finance Committee of the City Council will consider requests and make recommendations to the City Council for approval. Other committees may also make or consider requests and make recommendations to the Council.

6. Non-government groups may make applications so long as the civic purpose is consistent with the general outlines of the Herbert Webb Trust Fund. All requests will be in writing.

7. Applications will be accepted quarterly.

8. The Finance Committee, as advised by the staff, will monitor the annual earnings of the Webb Fund. They may recommend changes in the re-allocation of assets to the Harris Bank through the City Administrator. However, Harris Bank has the ultimate say on investment decisions.

9. The Council, advised by the Finance Committee, will prudently manage the disbursement of the Webb Fund so as not to over-commit future earnings and the revenue stream coming to the City.

10. The Council will report annually to the citizens of Reedsburg—via the media—the status of the Herbert Webb Trust Fund.

11. Applicants shall have at least two quotes from contractors where practical.

12. Applicants shall contribute at least 25% of the project cost.

13. Applicants may only apply for funds once in a calendar year for a specific project.

14. Applicants shall be responsible to return funds for uncompleted projects or funds not used.

And this is the response I received with our questions regarding weight and mounting options:  
Good morning.

The weight in cast aluminum for this size is estimated at 15#, in cast bronze 50#.

We do have steel post bent to a 30* angle to mount the plaques onto. (1) post would be suffice for either material.

Cast aluminum 1.5" x 80" steel post $95.00 plus shipping  
Cast bronze 2" x 80" steel post $125.00 plus shipping

If mounting onto a solid wall, boss and stud is the preferred mounting. If a hollow wall, screws with toggle bolts is preferred. Let me know if I can be of any further help. 

Kind regards,

Anna Stone - A.P. Ellinwood

Alexander P. "A.P." Ellinwood was born September 9th 1833 in Smithfield, New York. As a young man of 25, he moved to Reedsburg. He married Hannah Cottington, daughter of Jesse Cottington who introduced hops to the area. Ellinwood was a teacher, principal in the Reedsburg school system and served in the Civil War, attaining the rank of captain. He was chairman of the Sauk County Board of Supervisors, Reedsburg's second mayor and then a member of the Wisconsin state assembly. He owned over 300 acres of land on Reedsburg's west side, including an area (because of its wet conditions) known as "Ellinwood's Frog Pond". He had a fair ground built in 1872 consisting of bleachers and a racetrack. Ellinwood died in 1901. Among many surviving relatives was a nephew, James Stone.

Anna Louise Stone was the 28 year old daughter of James and Minnie Stone. She was a 1902 graduate of Reedsburg High School and a 1906 Graduate of the University of Wisconsin. She taught high school at Florence, Wisconsin until failing health caused her to return home. There was a brief happy marriage to James R. Semple. Anna died November 3, 1913. Her father James Stone was a lawyer, Superintendent of Reedsburg Schools, and assistant Secretary of State, and strong proponent of establishing the Sauk County Teacher's college on Reedsburg's west side. Stone donated land for the college, which had other names over the years of 1911 to 1969. The Reedsburg Campus of Madison College now fills that niche.

Anna Stone Memorial Park was dedicated March 23, 1915. James and Minnie Stone gave this parkland to the people of Reedsburg as a playground for children and a memorial to Anna Stone and A.P. Ellinwood.

Subject: Lakeside Foods - Request to Reimburse Park Impact Fees

BACKGROUND AND REQUEST

Lakeside Foods has made a written request to receive a park fee reimbursement in the amount of $4,800 for their seasonal housing project within the industrial park. The initial amount paid was $9,600 when the permit was pulled for the project. The seasonal housing is located on the business site near the plant. The housing facility is used as dorm like living in direct support of housing for seasonal workers brought in from outside the area. The Parks and Recreation Committee reviewed the request initially at the June 20 2017 meeting and a motion was made to reduce the amount to be paid to $4,800 (50%).

The motion failed in The Parks Committee on a vote of 2-2. The City Administrator brought this to the City Council Agenda on July 24, 2017 at which time the item was tabled until the next meeting. At the next meeting the item was discussed and held with approval of a new “Park Impact Fee” study was approved and the item to be brought back after the study. After the completion of the study and approval of the Park Impact Fee study in February of 2018, the new ordinance included fees for seasonal dorm like housing that are used seasonally. The council approved the new ordinance which lowered the impact fee for these units to $400/unit (50% decrease).

ANALYSIS

Because our municipal code did not deal with this sort of housing at the time of the original request for a reduction of impact fees at the time of the building permit, it was decided wait and deal with this type housing in the new Park Impact Fee study completed in Feb. 2018. Under the current “Park Impact” fees study this request can be considered for the type of commercial or industrial area housing which supports dorm style housing. The nature of the permit issued for the construction was “Seasonal Workforce Housing” and the rate for each unit would be $400 for the 12 units built.

STAFF RECOMMENDATION

Staff recommends that Lakeside Foods be reimbursed in the amount of $4,800 in accordance with the new “Impact Fee” ordinance 1836-18.

FINANCIAL IMPACT

$4,800 would be returned to the property owner if this appeal is approved.

ATTACHMENT

Ordinance 1863-18
ORDINANCE NO. 1863-18
(Amendment of Park Impact Fees)

The City of Reedsburg, Sauk County, Wisconsin does hereby ordain as follows:

SECTION 1: PURPOSE.
The purpose of this ordinance is to amend the current Park Impact Fee structure.

SECTION II: PROVISION AMENDED.
City of Reedsburg Code Section 3.10 Impact Fees for Capital Projects is hereby amended by this Ordinance.

(5) Impact Fees for Park Facilities
(A) Impact fees for park facilities imposed pursuant to this ordinance shall be due and payable at the time of issuance of a building permit for new construction of a residential dwelling.
(B) Impact fee for dwelling units shall be $800 for a single unit. For seasonal employee housing development with more than twelve (12) units, the fee can be reduced to $400 pending the inclusion of recreation facilities and open space is required for these developments.

(6) Payment of Impact Fees
(A) All required impact fees shall be paid in full by separate check at the time of issuance of a building permit with a new water meter or change in water meter size and/or a new dwelling unit. Impact fee payments shall be assumed to be the responsibility of the owner of record at the time of building permit issuance.

(7) Needs Assessment
(A) The basis for the imposition of impact fees is the Park Facilities Needs Assessment Report and its attachments as outlined in the needs assessment prepared by the Vierbicher in November 2017 and the Water System Report on Impact Fees prepared by Virchow, Krause & Company, LLP in November 2001, both of which are on file in the office of the City Clerk of the City of Reedsburg. Park impact fees shall be used generally for parks, playgrounds, and land for athletic fields. Water impact fees shall be used for water towers, reservoirs, pump stations, wells and equipment, lift stations, water mains and related public improvement of the Water Utility. (Rev. 3-10-08)

(8) Use of Impact Fees
(A) Funds collected from impact fees shall be used solely for the purpose of paying the proportionate costs of providing public facilities that may become necessary due to land development. These costs may include the costs of debt service on bonds or similar debt instruments when the debt has been incurred for the purpose of proceeding with designated public facilities projects prior to the collection of all anticipated impact fees for that project, to reimburse the City or Utility for advances of other funds or reserves, and such other purposes consistent with Wis. Stat. sec. 66.0617 which are recorded and approved by the Common Council.
(B) The City may issue bonds, revenue certificates, and other obligations of indebtedness in such manner and subject to such limitations as may be provided by law in furtherance of the provision of capital improvement projects. Funds pledged toward retirement of bonds, revenue certificates, or other obligations of indebtedness for such projects may include impact fees and other City revenues as may be allowed by the Council. Impact fees paid pursuant to this ordinance, however, shall be restricted to use solely and exclusively for financing directly or as a pledge against bonds, revenue certificates, and other obligations of indebtedness for the cost of capital improvements as specified herein.
(C) These impact fees shall be collected until the capital costs associated with the projects specified in the Park Facilities Needs Assessment Report or the Water System Report on Impact Fees, as amended from time to time, have been incurred and satisfied unless such time period exceeds fifteen (15) years beyond projected commencement of projects or twenty (20) years beyond projected satisfaction of indebtedness of the specified projects for which these impact fees are imposed.

(9) Refunds of Fees (Rev. 3-10-08)
(A) With regard to impact fees collected after April 10, 2006, that are collected by the City within seven (7) years of the effective date of this ordinance, but are not used within ten (10) years after the effective date of this ordinance to pay capital costs for which they were imposed, shall be refunded to the current
owner of the property with respect to which the impact fees were imposed along with any interest that has accumulated thereon.

(B) The ten (10) year time limit for using impact fees may be extended for three (3) years if the City adopts a resolution stating that, due to extenuating circumstances or hardship in meeting the ten (10) year limit, it needs an additional three (3) years to use the impact fees that were collected. The resolution shall include detailed written findings that specify the extenuating circumstances or hardship that led to the need to adopt a resolution under this paragraph.

(C) An impact fee that was collected before January 1, 2003, must be used for the purpose for which it was imposed not later than December 31, 2012. Any such fee that is not used by the date shall be refunded to the current property owner of the property with respect to which the impact fee was imposed, along with any interest, which has accumulated.

(D) An impact fee that is collected after December 31, 2002, and before April 11, 2006, must be used for the purpose for which it was imposed not later than the first day of the 120th month beginning after the date on which the fee was collected. Any such fee that is not used by that date shall be refunded to the current owner of the property with respect to which the impact fee was imposed, along with any interest that has accumulated.

(E) With regard to an impact fee that is collected after April 10, 2006, and is collected more than seven (7) years after the effective date of the ordinance, such impact fees shall be used within a reasonable period of time after they are collected to pay the capital costs for which they were imposed, or they shall be refunded to the current owner of the property with respect to which the impact fees were imposed, along with any interest that has accumulated.

(F) The current owner of property on which an impact fee has been paid may apply for a refund of such fee if: (a) the building permit for which the impact fee has been paid has lapsed for non-commencement of construction, or (b) the project for which a building permit has been issued has been altered resulting in a decrease in the amount of the impact fee due.

(G) A petition for refund must be filed within one (1) year of the event giving rise to the right to claim a refund.

(H) The petition for refund must be submitted to the City for a park facilities impact fee refund and or the Reedsburg Utility Commission for a water utilities impact fee refund.

(I) Within one month of the date of receipt of a petition for refund, the City or the Utility Commission must provide the petitioner, in writing, with a decision on the refund request including the reasons for the decision. If a refund is due petitioner, the refund shall be paid at the time of notifying the petitioner of the decision.

SECTION III: VALIDITY.

Should any section, clause or provision of the ordinance be declared by the courts to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

SECTION IV: CONFLICTING PROVISIONS REPEALED.

All ordinances in conflict with any provisions of this ordinance are hereby repealed.

SECTION V: EFFECTIVE DATE.

This ordinance shall be in force from and after its introduction and publication as provided by statute.

SECTION VI: PART OF CODE:

This Ordinance becomes part of the City of Reedsburg Code, Chapter 3.

Subject: Floor Scrubber Replacement and Compact Sweeper

BACKGROUND AND REQUEST

Non-Budgeted item in 2018.

Parks Department will have approximately $10,000 or more of unused funds from CEP.

Currently we have one scrubber that we use in the Park and Rec area along with City Hall. We also had a scrubber at the police department and it’s been re-built a few times but it has finally worn out. We are looking at replacing the one used at the Police Department.

The floor sweeper will be used mainly at the library and if we like how this equipment operates we will probably look into purchasing another unit for the Police Department and City Hall.

ANALYSIS

Scrubber quote: $6,750
Sweeper quote: $2,200

Looking at the budget and since the scrubber is part of our Capital Equipment we thought it would be best to purchase both of these machines out of our Capital Equipment Fund if money is available.

I talked with Matt Scott and he will have a fund balance of $10,000 or more in 2018.

Account #70-554100 2018 budget: $54,000

STAFF RECOMMENDATION

Recommend purchasing this equipment from our Capital Equipment fund from account #70-554100.

Subject: 2018 Farmer’s Market - Transient Merchant Fees

BACKGROUND AND REQUEST
In previous years before 2016 the City Administrator, worked with the Chamber and Hospital to develop a Farmers Market Application. No fees were collected at City Hall.

Last year the City Administrator asked the City Council to waive the 2017 Farmers Market Fees – (Transient Merchant Fees) this continues to be a part of an effort to restart and enlarge vendor support for “Farmers Market” in the City. One way is to provide support funding for advertising the Farmers Market. In the 2017 budget $1,500 was approved to support of the Farmers Market. The current purpose for the support funds are used for advertising signage for a “Farmers Market’s.”

City Staff, Reedsburg Area Medical Center Staff and Farmers Market vendors are looking at ways to boost the Farmer’s Market.

ANALYSIS
In 2018 a review of the current regulations of the City for Transient Merchants requires an annual application and fee of $27.50. The work of the City, Hospital and Farmers Market vendors continues to discuss how to grow the “Farmers Market”.

Locations of Farmers Markets in the City:

| City Park | Reedsburg Area Medical Center | Park Plaza |

Allowing participation at no cost for the Farmers Market vendors continues to be a successful strategy in encouraging more participation, as well as reinforcing the underlining true meaning of shopping locally. The goal of this exemption is to grow the Farmers Market program through participation.

During 2018 a review will be done of Chapter 12.02 and the different forms being used.
FINANCIAL IMPACT

The amount of lost revenue is not expected to impact to the City. Estimated revenue lost is estimated to be not more than $550 (20 license equivalents).

Revenue Collected:

STAFF RECOMMENDATION

Staff is recommending the fees for the annual license for Farmer’s Market vendors be waived again for one more year.

A press release will be sent out to all previous “Transient Merchant” permittees about the 2018 “Farmers Market” fees with the expectation that in 2019 the “Farmers Market” applications must be completed and fees will be collected.

(1) A transient merchant shall be prohibited from calling at any dwelling or other place between the hours of 9:00 p.m. and 9:00 a.m. except by appointment; calling at any dwelling or other place where a sign is displayed bearing the words "No Peddlers," "No Solicitors," or words of similar meaning; calling at the rear door of any dwelling place; or remaining on any premises after being asked to leave by the owner, occupant, or other person having authority over such premises.

(2) A transient merchant shall not misrepresent or make false, deceptive or misleading statements concerning the quality, quantity or characteristics of any merchandise offered for sale, the purpose of his/her visit, his/her identity or the identity of the organization he/she represents. A charitable organization transient merchant shall specifically disclose what portion of the sale price of the merchandise being offered will actually be used for the charitable purpose for which the organization is soliciting. Said portion shall be expressed as a percentage of the sale price of the merchandise.

(3) No transient merchant shall impede the free use of sidewalks and streets by pedestrians and vehicles. Where sales are made from vehicles, all traffic and parking regulations shall be observed.

(4) No transient merchant shall make any loud noises or use any sound amplifying device to attract customers if the noise produced is capable of being plainly heard outside a one hundred foot radius of the source.

(5) No transient merchant shall allow rubbish or litter to accumulate in or around the area in which he/she is conducting business.

DISCLOSURE REQUIREMENTS:

(1) After the initial greeting and before any other statement is made to a prospective customer, a transient merchant shall expressly disclose his/her name, the name of the company or organization he/she is affiliated with, if any, and the identity of merchandise or services he/she offers to sell.

(2) If any sale of merchandise is made by a transient merchant, or any offer for the later delivery of merchandise is taken by the seller, the buyer shall have the right to cancel said transaction if it involves the extension of credit or is a cash transaction if it involves the extension of credit or is a cash transaction of more than $25.00, in accordance with the procedure as set forth in §423.203, Wis. Stats; the seller shall give the buyer two copies of a typed or printed notice of that fact. Such notice shall conform to the requirements of §423.203(1)(a)(b) and (c), (3) and (3), Wis. Stats.

(3) If the transient merchant takes a sales order for the later delivery of merchandise, he/she shall, at the time the order is taken, provide the buyer with a written statement containing the terms of the agreement, the amount paid in advance whether full, partial or no advance payment is made, the name, address and telephone number of the seller, the delivery or performance date, and whether a guarantee or warranty is provided and, if so, the terms thereof.

12.02 TRANSIENT MERCHANTS (Rev. 01-09-12)

(1) Registration Required. It shall be unlawful for any transient merchant to engage in sales within the City of Reedsburg, without being registered for that purpose as provided herein.

(2) Definitions. In this ordinance:
(A) “Transient merchant” means any individual who engages in the retail sale of merchandise at any place in the City of Reedsburg temporarily, and who does not intend to become and does not become a permanent merchant of such place. For purposes of this section, sale of merchandise constitutes the greatest part of value for the price received, but does not include a farm auction sale conducted by or for a resident farmer of personal property used on the farm or sale of produce or other perishable products at retail or wholesale by a resident of this State. (Rev. 03-25-13)
(B) “Permanent merchant” means any person who, for at least one year prior to the consideration of the application of this ordinance to said merchant
   (a) has continuously operated an established place of business in the local trade area among the communities bordering the place of sale;
   (b) has continuously resided in the local trade area among the communities bordering the place of sale and now does business from his/her residence.
(C) “Merchandise” shall include personal property of any kind and shall include merchandise, goods or materials provided incidental to services offered or sold. The sale of merchandise includes donations required by the seller for the retention of goods by a donor or prospective customer.
(D) “Charitable organization” shall include any benevolent, philanthropic, patriotic or eleemosynary person, partnership, association or corporation or one purporting to be such.
(E) “Clery” shall mean the City Clerk.

(3) Exemptions. The following shall be exempt from all provisions of this ordinance:
(A) Any person delivering newspapers, fuel, dairy products or bakery goods to regular customers on established routes;
(B) Any person selling merchandise at wholesale to dealers in such merchandise;
(C) Any permanent merchant or employee thereof who takes orders at the home of the buyer for merchandise regularly offered for sale by such merchant within this county and who delivers such merchandise in their regular course of business;
(D) Any person who has an established place of business where the merchandise being sold is offered for sale on a regular basis, and in which the buyer has initiated contact with, and specifically requested, a home visit by said person;
(E) Any person who has had, or one who represents a company which has had, a prior business transaction, such as a prior sale or credit arrangement, with the prospective customer;
(F) Any person who has had, or one who represents a company which has had, a prior business transaction, such as a prior sale or credit arrangement, with the prospective customer;
(G) Any person selling or offering for sale a service unconnected with the sale or offering for sale of merchandise;
(H) Any employee, officer or agent of a charitable organization who engages in direct sales for or on behalf of said organization, provided that there is submitted to the Clerk proof that such charitable organization is registered under Sec. 440.42, Wis. Stats. Any charitable organization engaging in the sale of merchandise and not registered under Sec. 440.42, Wis. Stats., or which is exempt from that statute's registration requirements, shall be required to register under this ordinance;
(I) Any person who claims to be a permanent merchant, but against whom complaint has been made to the Clerk that such person is a transient merchant; provided that there is submitted to the Clerk proof that such person has leased for at least one year, or purchased, the premises from which he/she has conducted business in the market area for at least one year prior to the date the complaint was made;
(J) Any individual licensed by an examining board as defined in Sec. 15.07(7), Wis. Stats.;
(K) Any person holding a sale required by statute or by order of any court and any person conducting a bona fide auction sale pursuant to law;
(L) Transient merchants while doing business at special events authorized by the City Council; and
(M) Any group sales authorized by the City Council.
(N) Any resident holding a garage sale of personal property on premises

(4) Registration.

(A) Applicants for registration must complete and return to the Clerk, a registration form furnished by the Clerk, which shall require the following information:
(1) Name, permanent address and telephone number, and temporary address, if any;
(2) Age, height, weight, color of hair and eyes;
(3) Name, address and telephone number of the person, firm, association or corporation that the transient merchant represents or is employed by, or whose merchandise is being sold;
(4) Temporary address and telephone number from which business will be conducted, if any;
(5) Nature of business to be conducted and a brief description of the merchandise and any services offered;
(6) Proposed methods of delivery of merchandise, if applicable;
(7) Make, model and license number of any vehicle to be used by applicant in the conduct of his/her business;
(8) Most recent cities, villages, towns, not to exceed three, where applicant conducted his/her business;
(9) Place where applicant can be contacted for at least seven days after leaving this City;
(10) Statement as to whether applicant has been convicted of any crime or ordinance violation related to applicant's transient merchant business within the last five years and the nature of the offense and the place of conviction.

(B) Applicants shall present to the Clerk for examination:
(1) A driver's license or some other proof of identity as may be reasonably required;
(2) A State Certificate of Examination and approval from the sealer of weights and measures where applicant's business requires use of weighing and measuring devices approved by State authorities;
(3) A State Health Officer's Certificate where applicant's business involves the handling of food or clothing and is required to be certified under State law; such certificate to state that applicant is apparently free from any contagious or infectious disease, dated not more than 90 days prior to the date the application license is made.

(C) At the time the registration is returned, a fee of $27.50 shall be paid to the Clerk to cover the cost of processing said registration. The applicant shall sign a statement appointing the Clerk as his/her agent to accept service of process in any civil action brought against the applicant arising out of any sale or service performed by the applicant in connection with the direct sales activities of the applicant, in the event the applicant cannot, after reasonable effort, be served personally. Upon payment of said fee and the signing of said statement, the Clerk shall register the applicant as a transient merchant and date the entry. Said registration shall be valid for a period of one year from the date of entry, subject to subsequent refusal as provided in Sec. 5(B) below.

(5) Investigation.

(A) Upon receipt of each application, the Clerk may refer it immediately to the Chief of Police who may make and complete an investigation of the statements made in such registration.
(B) The Clerk shall refuse to register the applicant if it is determined, pursuant to the investigation above, that: the application contains any material omission or materially inaccurate statement; complaints of a material nature have been received against the applicant by authorities in the most recent cities, villages and towns, not exceeding
three, in which the applicant conducted similar business; the applicant was convicted of a crime, statutory violation or ordinance violation within the last five years, the nature of which is directly related to the applicant’s fitness to engage in direct selling; or the applicant failed to comply with any applicable provision of Sec. 4(B) above.

(6) Appeal.
Any person refused or denied registration may appeal the denial through the appeal procedure provided by ordinance or resolution of the Common Council, or if none has been adopted, under the provisions of Sec. 68.07 through 68.16, Wis. Stats.

(7) Regulation of Transient Merchants.
(A) Prohibited Practices.

(1) A transient merchant shall be prohibited from: calling at any dwelling or other place between the hours of 9:00 p.m. and 9:00 a.m. except by appointment; calling at any dwelling or other place where a sign is displayed bearing the words "No Peddlers," "No Solicitors" or words of similar meaning; calling at the rear door of any dwelling place; or remaining on any premises after being asked to leave by the owner, occupant, or other person having authority over such premises.

(2) A transient merchant shall not misrepresent or make false, deceptive or misleading statements concerning the quality, quantity or characteristics of any merchandise offered for sale, the purpose of his/her visit, his/her identity or the identity of the organization he/she represents. A charitable organization transient merchant shall specifically disclose what portion of the sale price of the merchandise being offered will actually be used for the charitable purpose for which the organization is soliciting. Said portion shall be expressed as a percentage of the sale price of the merchandise.

(3) No transient merchant shall impede the free use of sidewalks and streets by pedestrians and vehicles. Where sales are made from vehicles, all traffic and parking regulations shall be observed.

(4) No transient merchant shall make any loud noises or use any sound amplifying device to attract customers if the noise produced is capable of being plainly heard outside a one hundred foot radius of the source.

(5) No transient merchant shall allow rubbish or litter to accumulate in or around the area in which he/she is conducting business.

(B) Disclosure Requirements.

(1) After the initial greeting and before any other statement is made to a prospective customer, a transient merchant shall expressly disclose his/her name, the name of the company or organization he/she is affiliated with, if any, and the identity of merchandise or services he/she offers to sell.

(2) If any sale of merchandise is made by a transient merchant, or any offer for the later delivery of merchandise is taken by the seller, the buyer shall have the right to cancel said transaction if it involves the extension of credit or is a cash transaction of more than $25, in accordance with the procedure as set forth in ss.423.203, Wis. Stats; the seller shall give the buyer two copies of a typed or printed notice of that fact. Such notice shall conform to the requirements of ss.423.203(1)(a)(b) and (c), (3) and (3), Wis. Stats.

(3) If the transient merchant takes a sales order for the later delivery of merchandise, he/she shall, at the time the order is taken, provide the buyer with a written statement containing the terms of the agreement, the amount paid in advance whether full, partial or no advance payment is made, the name, address and telephone number of the seller, the delivery or performance date, and whether a guarantee or warranty is provided and, if so, the terms thereof.

(8) Records.
The Chief of Police shall report to the Clerk all convictions for violation of this ordinance and the Clerk shall note any such violation on the record of the registrant convicted.

(9) Revocation of Registration.

(A) Licenses issued hereunder may be revoked by the Council after notice and hearing, for any of the following causes:

(1) Fraud misrepresentation or incorrect statement contained in the application for license.

(2) Fraud, misrepresentation or incorrect statement made in the course of carrying on his business as solicitor, transient merchant, itinerant merchant or itinerant vendor.

(3) Any violation of this section.

(4) Conviction of any crime or misdemeanor.
(5) Conducting the business of peddler, canvasser, solicitor, transient merchant, itinerant merchant or itinerant vendor, as the case may be, in an unlawful manner as to constitute a breach of the peace or to constitute a menace to the health, safety or general welfare of the public.

(B) Notice of the hearing for revocation of a license shall be given by the City Clerk in writing, setting forth specifically the grounds of complaint and the time and place of hearing. Such notice shall be mailed, postage prepaid, to the licensee at his last known address at least 5 days prior to the date set for hearing.

(10) Appeal.
Any person aggrieved by the action of the Chief of Police or the City Clerk in the denial of a permit or license may appeal to the Council. Such appeal shall be taken by filing with the Council, within 14 days after notice of the action complained of, a written statement setting forth fully the grounds for the appeal. The Council shall set a time and place for a hearing on such appeal and notice of such hearing shall be given at the appeal and in the same manner as provided in Subsection (9)(B) for notice of hearing on revocation.

(11) Reapplication.
No licensee whose license has been revoked shall make further application until a period of at least six (6) months shall have elapsed since the last previous revocation.

(12) Expiration of Licenses.
No license shall be issued for a longer period than one year. All annual licenses issued hereunder shall expire at midnight on December 31 in the year when issued. Other than annual licenses which shall expire at midnight on the date specified in the license.
FARM MARKETS – WISCONSIN WEIGHTS and MEASURES LAWS

Wisconsin farm markets are governed under the same laws as other retail business establishments. Compliance with Wisconsin’s Weights and Measures Law is an integral part of fair trade among businesses and fair treatment of consumers.

Wisconsin Weights and Measures Law, Wis. Stat. ch. 98, is the main dynamic in maintaining equality in the market place. Along with the National Institute of Standards and technology or NIST Handbook 44, Wis. Stat. ch. 98 protects consumers by ensuring that weighing devices meet a high standard of quality and accuracy. City sealers and state and federal standards determine if a device is correct for the application. State inspectors and city sealers have full enforcement authority to uphold these laws. The following are excerpts from Wis. Stat. ch.98.

CHAPTER 98
WEIGHTS AND MEASURES LAW

98.03 State Standards; Specification and Tolerances.

98.03(2)
(2) The department may issue rules governing the construction, installation and use of commercial weights and measures and prescribing tolerances therefor. The specifications, tolerances and regulations for commercial weighing and measuring devices issued by the national institute of standards and technology shall apply in this state except as modified by such rules.

98.05 Enforcement Authority; Measurement Center Laboratory.

98.05(2)
(2) Sealers or inspectors may enter and go into or upon any structure or premises, and may stop any person or vehicle for the purpose of enforcing this chapter. They shall inspect and test any weights and measure of commodities which are sold or used commercially as often as necessary to secure compliance with this chapter, and may seize as evidence, or reject and mark or tag as “rejected” those which are incorrect. A representative sample may be used as the basis to be determined whether any lot is incorrect.

Inspectors and sealers also look at the selling methods used for different commodities. They must determine if the method of sale is correct for each particular commodity sold. All commodities not in liquid form can be sold by net weight. However, there are exceptions to this rule, which allow some commodities to be sold by other methods such as count, bunch, etc. Fruit and vegetables have many exceptions that are found on the attached table on the back of this handout.

98.6 Method of Sale of Commodities.

98.06(1)
(1) Commodities in liquid form shall be sold by liquid measure and commodities not in liquid form shall be sold by weight, but liquid commodities may be sold by weight and commodities not in liquid form may be sold by count or measure if such methods are in general use and give accurate information as to the quantity of commodity sold.

Some sellers may determine prepackaging and pre-pricing of commodities makes sense for their business. Besides the requirements for labeling a prepackaged item with the product identity and declaration of responsibility (name, complete address and zip code) the package must also have a declaration of net weight. It is important to understand that NET WEIGHT is the weight
of the product only, subtracting the weight of all wrappers, plastic, labels and other non-
consumable items known as tare.

98.07 Declaration of Quantity.
98.07(1)
(1) No commodity which is marked, tagged or labeled, or for which a sign is displayed with a
selling price, shall be sold unless the weight, measure or count of the commodity is
conspicuously declared on the commodity or its tag, label or sign, but a declaration of count is
not required if the selling price is for a single unit, or a set or combination of commodities
customarily sold to and understood by consumers as a single unit, or if the commodity is
packaged prior to sale and the package contains 6 units of less which can be easily counted
without opening the package.

Wis. Stat. ch. 98 is very specific on the method of sale for bread. Bread must be sold by
weight. The weight must either be stated on a placard, if sold from a bulk case, or as a net
weight on the bread’s package label.

98.21 Sale of Bread
98.21(1) Except as provided in sub (2), no person may manufacture for sale in this state, offer
to sell or sell bread unless the bread is sold by weight.

Because there may be penalties for non-compliance with Wis. Stat. ch 98, the first step is to
educate the seller about the laws and provide assistance in understanding how to comply with
those laws. That is why this handout was developed. The enforcement process is a
progressive one. State inspectors and city sealers work diligently to gain compliance through
education.

98.26 Prohibited Acts; Penalty; Injunction.
98.26
(1) A person who does any of the following acts shall forfeit not less than $100 nor more than
$500 for the first offense and not less than $200 nor more than $1000 for a subsequent
offense. A person who intentionally does any of the following acts shall be fined not more than
$10,000 or imprisoned not more than 9 months or both.

98.25(1)(a)
(a) Hinders, obstructs or impersonates a sealer or inspector.

98.26(1)(b)
(b) Uses or has in possession for use in buying or selling any commodity or service, or sells, any
incorrect weight or measure or causes a weight or measure to be incorrect.

98.26(1)(c)
(c) Represents in any manner a false quantity or price in connection with the purchase or sale,
or any advertising thereof, of any commodity, thing or service.

98.26(1)(d)
(d) Uses or disposes of any rejected weight or measure, or commodity or removes therefrom
any official tag, seal, stamp or mark, without written authority from a sealer or inspector.

Specific requirements do exist for scales used for retail. All scales shall be of a commercial type
meeting NIST Handbook 44 requirements. Those newer than 1986 shall be marked with NIST
Class III; those newer than January 1, 1997 must also be NTEP (National Type Evaluation
Program) approved. These strict standards ensure accurate devices are used for all retail transactions. Scales found not in compliance will, in some cases, receive a grace period before they need to be replaced. Inaccurate scales are either rejected or given a deadline for calibration, repair or replacement.

If you have specific questions concerning any weight and measures issue, inspectors or program staff can help you. Copies of Wis Stat, ch 98, Wis. Admin, Code ch. ATCP 90 and Wis. Admin. Code sh ATCP 91 are available by calling us.

Subject: Service Line Inc. Expansion – Memorandum of Understanding

BACKGROUND:
Service Line is proposing to expand their Reedsburg facility in a phased approach over the next several years. Their current parcel is not large enough to accommodate their future growth. They have requested the City sell them an additional land so they can grow their business in Reedsburg.

The first two phases of the expansion will take place in 2018 and 2019. Service Line agrees to construct a 3,780 square foot building in 2018 at an estimated cost of $75,000 and a 6,700 square foot addition in 2019 at an estimated cost of $125,000. In conjunction with these projects, the City agrees to sell a 0.3 acre parcel for $1,000 and provide $4,000 Direct Business Assistance grant using TID No. 9. The 0.3 acre parcel is identified as Parcel #1 on Exhibit 1 of the attached MOU. This parcel will provide access to the truck docks on the east end of the proposed building addition. Service Line agrees to guarantee an annual TIF increment of $3,920 from the 2018 and 2019 building projects. The City’s development cost is $16,000, which consists of the $4,000 grant, $5,000 of soft costs and $12,000 of previous development cost for the 0.3 acre parcel.

In addition to the 2018 and 2019 expansion, Service Line would like to construct a new office and testing lab building on Parcel #2 as shown on Exhibit 1 of the attached MOU. Since Service Line is not able to commit to this future expansion at this time, the City agrees to execute a “Right of First Refusal” with Service Line for the 0.7 acre parcel (Parcel#2). The Right of First Refusal is for a period of five years. To exercise the Right of First refusal, Service Line shall commit to a building expansion within one year that justifies the need for the additional land. Developer shall grant an access easement on Parcel #1 for use by Parcel #2. This will enhance the usability of Parcel #2 for development in the event Developer does not exercise the Right of First Refusal.

Details of the proposed project are summarized in the following attachments.  
See Attachment A for a Project Summary.  
See Attachment B for the Memorandum of Understanding.

ANALYSIS / FINANCIAL IMPACT:
Attachment A includes a project cost summary and TIF Analysis. The City’s new development cost related to the 0.3 acre parcel has been previously paid for with TID No. 4 funds. The City’s new development costs of $9,000 will be repaid with TIF Increment generated by this project in a three year period starting in 2021. The project is projected to generate $59,465 of surplus TIF increment over the life of TID No. 9. Current Budget includes no funding for this project.

STAFF RECOMMENDATION:
RICDC recommends approval.

ACTION:
If the Mayor and City Council are ready, the following action may be made:

Motion to approve/deny a Memorandum of Understanding with Service Line Inc.

MEMORANDUM OF UNDERSTANDING
Between
Service Line, Inc.
And The
City Of Reedsburg, Wisconsin

Service Line, Inc. (Developer) is proposing to expand their existing manufacturing facility in Reedsburg. The project will result in the continued expansion of their current operations resulting in the creation of additional jobs and tax base. This Memorandum of Understanding is intended to summarize the commitments of the Developer and City of Reedsburg (City). These commitments will be formalized in a Development Agreement which will be executed by the Developer and City.

WITNESSETH:

Whereas, the Developer has an existing manufacturing facility in Reedsburg and is an important part of the local economy; and,

Whereas, the Developer is contemplating expanding their Reedsburg facility, which will result in the continued expansion of the current operations resulting in creation of existing jobs and tax base; and,

Whereas, the City recognizes the importance of growing the local economy and working cooperatively with local business to help facilitate business expansion;

Whereas, the City recognizes the economic benefits created by the proposed project is good for the citizens of Reedsburg; and

Whereas, it has been concluded that it is in the City's best interest to have this project be implemented in Reedsburg.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

I. Developer agreement

1. Developer agrees to construct a 3,780 square foot building adjacent to their existing manufacturing facility located at 2320 Zinga Drive in Reedsburg before December 31, 2018, as illustrated on Exhibit A. The estimated cost of the building is $75,000.

2. Purchase the parcel of land identified as Parcel #1 on Exhibit A from the City for one dollar ($1.00). The parcel size is approximately 0.3 acres. Transfer of Parcel #1 shall take place in conjunction with construction of the building addition included in Section I. 3.

3. Developer agrees to construct an approximate 6,700 square foot addition onto the building identified in Section I. 1 before December 31, 2019. The building addition shall have truck docks on the east end of the building and a truck access driveway connecting to Greenway Court. The estimated cost of the building addition and driveway is $125,000.

4. In conjunction with the building addition identified in Section I. 3, above, Developer agrees to make site improvements to ensure storm water runoff drains to the existing culvert under Greenway Court.

5. Increase the equalized taxable value of real estate on the parcel by $60,000 on or before December 31, 2018, and an additional equalized taxable value of $100,000 on or before December
31, 2019. The estimated increase in equalized value is equal to 80% of the real estate construction costs for the buildings included in Section I, 1, and 3.

6. Generate a minimum of $1,470 of additional annual tax increment revenue from the building constructed in 2018, plus $2,450 of additional annual tax incremental revenue from the Building constructed in 2019.

7. The expansion will enable the Developer to continue to expand their Reedsburg operation resulting in creation of additional jobs in the future. Developer estimates 4 additional jobs will be created as a result of the 2018 and 2019 expansions.

8. The Developer requests a Right of First Refusal be granted by the City for a 5 year period for the Developer to purchase the approximate 0.7 acre parcel identified as Parcel #2 on Exhibit A. To exercise the Right of First Refusal, the Developer shall commit to an expansion project beyond those identified in Section I, 1 and 1.3 that justifies the need for the additional land. The Developer’s intent is to construct a new office and testing lab facility on Parcel #2. Construction of the proposed facility on Parcel #2 shall take place within 1 year of exercising the Right of First Refusal.

9. Developer shall grant an access easement on Parcel #1 for use by Parcel #2. This will enhance the usability of Parcel #2 for development in the event Developer does not exercise the Right of First Refusal.

10. Obtain all necessary permits and approvals. Comply with all local, state, and federal requirements. Developer shall be responsible to pay all permit fees and City impact and connection fees.

11. Submit a site plan and building plan for the City to review and approve.

12. Execute a Development Agreement between the City and Developer as stipulated in Section III.

13. Developer shall not seek a reduction of the property tax assessment during the term of this agreement.

11. Any costs expended by the Developer will be exclusive to the Developer and will not be a cost of the City.

   II. City of Reedsburg agreement

   1. Sell the parcel of land identified as Parcel #1 on Exhibit A to the Business for one dollar ($1.00). The parcel size is approximately 0.3 acres. The estimated value of the parcel is $12,000, or $40,000 per acre. Transfer of Parcel #1 shall take place in conjunction with construction of the building addition included in Section I, 3.

   2. Using TID No. 9 funds, the City shall provide a Direct Business Assistance grant to the Developer in the amount of $4,000.00 to be used toward site improvements. Said funds shall be disbursed 30 days after start of construction of the building identified in Section I, 1.

   3. The City shall provide a Right of First Refusal for a 5 year period to the Developer to purchase the approximate 0.7 acre parcel identified as Parcel #2 on Exhibit A. To exercise the Right of First Refusal, the Developer shall commit to an expansion project that justifies the need for the additional land. Construction of the proposed facility on Parcel #2 shall take place within 1 year of exercising the Right of First Refusal.
4. Provide a Certified Survey Map of parcel #1 and #2, and provide Title Insurance for the parcel and pay for land transfer costs. Parcel #1 shall be combined with the Developer's existing parcel.

5. Accept and process an application for a Zoning Variance for the creation of a remnant 0.7 acre parcel of land identified as Parcel #2 on Exhibit A. Note, the minimum lot size in the City’s Zoning Ordinance is 1.0 acres.

6. Any money expended exclusively by the City for this project will not be reimbursed by the Developer.

III. Acknowledgements & Contingencies

The parties to this MOU acknowledge the commitments included in this document are subject the following contingents:

Both parties mutually understand the City and/or Developer will execute a development agreement. This MOU will expire once both parties sign a development agreement or on June 15, 2018, whichever comes first. The terms stated herein constitute the entire agreement between the Developer and City. The City and the Developer must agree to any amendment to this agreement in writing.

This Agreement shall terminate at such time as developer has paid in full, by way of increased tax increment revenue, the City's development costs of $16,000; estimated to be in 2026.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on: May 14, 2018.

STAFF REPORT

AGENDA ITEM: III-C

To: Mayor
Common Council
Ordinance Committee

Prepared By: Timothy M. Becker, Chief of Police
Through: Stephen P. Compton, City Administrator

Date of Meeting: May 14, 2018 [Introduced and 1st reading held - April 23, 2018]
Subject: 2nd Reading and holding Public Hearing to consider Ordinance 1868-18. An Ordinance amending Municipal Code Chapter 9.03 Orderly Conduct - Offenses against Public Safety and Welfare

BACKGROUND AND REQUEST

The Ordinance Committee and Common Council are being requested to amend section 9.03(6) to include language prohibiting persons from providing cigarettes, tobacco products and nicotine products to persons under the age of 18 by approving the adoption of Wis Stats. 254.92.

ANALYSIS

Reedsburg City Code Chapter 9.03(6) currently prohibits possession of cigarettes and nicotine products by persons under the age of 18. This section is not comprehensive enough to address current tobacco trends and occurrences. By adopting the entire Wis Stats. 254.92, as permitted in 254.92(4), we could essentially cover the foreseeable issue as they relate to tobacco use by those under the age of 18.

In addition, it permits the Police Department to use a local ordinance for these violations instead of subjecting first-time offenders to a State charge for violations of this nature.

STAFF RECOMMENDATION

This item was reviewed by Ordinance and City Council (Introduction and 1st Reading - April 23, 2018). Ordinance and staff recommend holding public hearing on revising Municipal Code section 9.03(6) to adopt Wisconsin State Statute 254.92.

ACTION:
If the Mayor and City Council are ready, the following action may be made:

Motion to approve/deny Ordinance 1868-18 an Ordinance amending Chapter 9.03(6) of the municipal Code.

ATTACHED:
Proposed City Code Ordinance Chapter 9.03(6); Wis Stats. 254.92, and current 9.03(6) language.
Ordinance 1868-18
9.03(6) Purchase or possession of cigarettes or tobacco products by persons under the age of 18 is prohibited as provided in Wis. Stat. 254.92. It shall be unlawful for anyone who is under the age of 18 to possess, procure or consume any cigarette, tobacco products, or nicotine products as defined by Wis. Stat. 139.75(12). (Revised 03-25-13)

9.03(6) PURCHASE OR POSSESSION OF CIGARETTE OR TOBACCO PRODUCTS BY PERSON UNDER 18 PROHIBITED (254.92)

(a) Definitions: In this code section the following terms have the following meanings (254.911):
1. “Cigarette” means any roll of tobacco wrapped in paper or any substance other than tobacco.
2. “Nicotine product” means a product that contains nicotine and is not any of the following:
   a. A tobacco product.
   b. A cigarette.
   c. A product that has been approved by the U.S. food and drug administration for sale as a smoking cessation product or for another medical purpose and is being marketed and sold solely for such an approved purpose.
3. “Tobacco products” means cigars; cheroots; stogies; periques; granulated, plug cut, crimp cut, ready-rolled and other smoking tobacco; snuff, including moist snuff; snuff flour; Cavendish, plug and twist tobacco; fine cut and other chewing tobacco; shorts; refuse scraps, clippings, cuttings and sweepings of tobacco and other kinds and forms of tobacco prepared in such manner as to be suitable for chewing or smoking in a pipe or otherwise, or both for chewing and smoking; but “tobacco products” does not include cigarettes, as defined under s. 139.30 (1m).

(b) Falsely represent age to obtain cigarette, nicotine product, or tobacco product (254.92(1))

(c) No person under 18 years of age may purchase, attempt to purchase, or possess any cigarette, nicotine product, or tobacco product except as follows: (254.92(2)).
(1) A person under 18 years of age may purchase or possess cigarettes, nicotine products, or tobacco products for the sole purpose of resale in the course of employment during his or her working hours if employed by a retailer. (254.92(2)(a))
(2) A person under 18 years of age, but not under 15 years of age, may purchase, attempt to purchase or possess cigarettes, nicotine products, or tobacco products in the course of his or her participation in an investigation under s. 254.916 that is conducted in accordance with s. 254.916 (3). (254.92(2)(b)).

(d) No person may purchase cigarettes, tobacco products, or nicotine products on behalf of, or to provide to, any person who is under 18 years of age. (254.92(3))

(e) A law enforcement officer shall seize any cigarette, nicotine product, or tobacco product that has been sold to and is in the possession of a person under 18 years of age. (254.92(4)).

(7) Sale of Tobacco Products. As provided in Wis. Stat. 134.66(2)(am) no retailer, direct marketer, manufacturer, distributor, jobber, subjobber, no agent, employee or independent contractor of a retailer, direct marketer, manufacturer, distributor, jobber or subjobber and no agent or employee of any independent contractor may provide for nominal or no consideration cigarettes, tobacco products or nicotine products to any person except in a place where no person younger than 18 years of age is present or permitted to enter unless the person who is younger than 18 years of age is accompanied by his or her parent or guardian or by his or her spouse who has attained the age of 18 years. (Revised 03-25-13)
ORDINANCE NO. 1868-18

(Purchase and Possession of Cigarettes or Tobacco Production by person under the age of 18)

The City of Reedsburg, Sauk County, Wisconsin, does hereby ordain as follows:

SECTION I: PURPOSE

This ordinance adopts the provisions of Wis. Stat. § 254.92, that prohibit the purchase or possession of cigarettes or tobacco products by persons under age 18.

SECTION II: PROVISIONS REPEALED AND RECREATED.

City of Reedsburg Code Section 9.03(6) is repealed and recreated.

SECTION III: PROVISION AS RECREATED.

9.03(6). PURCHASE OR POSSESSION OF CIGARETTES OR TOBACCO PRODUCTS BY PERSON UNDER 18 PROHIBITED (Wis. Stat. §254.92) (2015-16 Wis. Stat.):

(a) Definitions: In this code section, the Definitions in Wis. Stat. §254.911 (2015-16 Wis. Stats) are adopted and fully incorporated herein.

(b) No person under 18 years of age may falsely represent his or her age for purpose of receiving any cigarette, nicotine product, or tobacco product.

(c) No person under 18 years of age may purchase, attempt to purchase, or possess any cigarette, nicotine product, or tobacco product except as follows:

1. A person under 18 years of age may purchase or possess cigarettes, nicotine products, or tobacco products for the sole purpose of resale in the course of employment during his or her working hours if employed by a retailer.

2. A person under 18 years of age, but not under 15 years of age, may purchase, attempt to purchase or possess cigarettes, nicotine products, or tobacco products in the course of his or her participation in an investigation under s. 254.916 that is conducted in accordance with s. 254.916 (3).
(d) No person may purchase cigarettes, tobacco products, or nicotine products on behalf of, or to provide to, any person who is under 18 years of age.

(e) A law enforcement officer shall seize any cigarette, nicotine product, or tobacco product that has been sold to and is in the possession of a person under 18 years of age.

SECTION IV: VALIDITY:
Should any section, clause or provision of the ordinance be declared by the courts to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

SECTION V: CONFLICTING PROVISIONS REPEALED:
All ordinances in conflict with any provision of this Ordinance are hereby repealed.

SECTION VI: EFFECTIVE DATE:
This Ordinance shall be in force from and after its introduction and publication as provided by statute.

SECTION VII.
This ordinance becomes part of City of Reedsburg Code Chapter 9.

Dated this 14th day of May 2018.

STAFF REPORT

To: City Council
By: Brian Duvalle, Planning/Building
Through: Stephen P. Compton, City Administrator
Date of Meeting: May 14, 2018

Subject: ‘Outlot’ definition – ORD 1870-18 (2nd Reading)

BACKGROUND AND REQUEST
The current definition of ‘outlot’ is too specific. It currently refers to parcels associated with shopping centers. But as currently defined, is simply a version of a regular ‘lot’.

(62) Outlot. A parcel contiguous to or located in a shopping center or complex that is, in appearance sake, part of the shopping center, but may be under separate ownership and/or management.

ANALYSIS
RAMC submitted a recent CSM that included a parcel with no street frontage and labeled as an ‘outlot’. However this did not meet the outlot definition plus the ordinance requires lots to have street frontage.

They later amended the CSM to include frontage, the current definition still needed to be corrected. The definition proposed includes the State’s definition (first sentence) which is very broad. The second sentence specifies exactly when an outlot can be created. Correcting past errors is a common use of outlots. Allowing them under a development agreement gives the City control over outlots since they would not be buildable.

STAFF RECOMMENDATION
Plan Commission recommends approval.

ACTION:
If the Mayor and City Council are ready, the following action may be made:

Motion to approve/deny – 2nd Reading of Ordinance 1870-18

Attachment: Ordinance 1870-18

Calendar of Actions:
1st Reading at Council: April 23, 2018
Public Hearing Noticed: May 3, 2018 & May 10, 2018
2nd Reading at Council/Public Hearing: May 14, 2018
Published, Enactment Date: May 24, 2018
ORDINANCE NO. 1870-18
(‘Outlot’ Definition)

The City of Reedsburg, Sauk County, Wisconsin, does hereby ordain as follows:

SECTION I: PURPOSE.

The purpose of this ordinance is to amend the definition of ‘outlot’ to coincide with the State definition.

SECTION II: PROVISIONS AMENDED.

City of Reedsburg Code Section 17.04(62) is hereby amended by this Ordinance.

17.04 DEFINITIONS

(62) **Outlot.** A parcel of land, other than a lot or block, so designated on the plat or survey. Outlots shall be created to correct previous survey/plat errors or when a non-buildable parcel is intended and approved through a development agreement.

SECTION III: VALIDITY.

Should any section, clause or provision of the ordinance be declared by the courts to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

SECTION IV: CONFLICTING PROVISIONS REPEALED.

All ordinances in conflict with any provisions of this ordinance are hereby repealed.

SECTION V: EFFECTIVE DATE.

This ordinance shall be in force from and after its introduction and publication as provided by statute.

SECTION VI: PART OF CODE:

This Ordinance becomes part of the City of Reedsburg Code, Chapter 17.

Dated this 14th day of May, 2018.

STAFF REPORT

To: Mayor
   Common Council
   Ordinance Committee

Prepared By: Timothy M. Becker, Chief of Police
Through: Stephen P. Compton, City Administrator

Date of Meeting: May 14, 2018

Subject: 2nd and hold Public Hearing [Introduction, 1st Reading held April 23, 2018], to consider Ordinance 1871-18. An Ordinance adding to the Municipal Code: Chapter 4.07 - Disposal of Abandoned Property.

BACKGROUND AND REQUEST
The Ordinance Committee and Common Council are being requested to add 4.07 to Chapter 4 – POLICE DEPARTMENT of the City of Reedsburg Municipal Code. This will formalize the disposal process of abandoned property as it relates to the Police Department.

ANALYSIS
Reedsburg City Code section 4.07, if approved, would formalize a disposal process for abandoned property. Currently the Police Department operates this process through policy only. A recommendation by the District Attorney is to formalize this process by ordinance. Also, 66.0139(2) Wis Stats. states, “…Any means of disposal other than public auction shall be specified by ordinance…” This would satisfy that requirement permitting the Department to dispose of property by means other than public auction.

STAFF RECOMMENDATION
This item was reviewed by Ordinance and City Council (Introduction and 1st Reading - April 23, 2018). Ordinance and staff recommend holding public hearing on revising Municipal Code section 4.07 and 4.10.

ACTION:
If the Mayor and City Council are ready, the following action may be made:

Motion to approve/deny Ordinance 1871-18 an Ordinance amending Chapter 4.07 of the municipal Code.

ATTACHED:
Proposed City Code Ordinance 1871-18; 4.07; renumber current chapter 4.07 Penalties to 4.10 Penalties and Police Department Policy 7-500(V)(H).
ORDINANCE NO. 1871-18

The City of Reedsburg, Sauk County, Wisconsin, does hereby ordain as follows:

SECTION I: PURPOSE

This code section establishes the City’s regime for the disposal of abandoned property. It follows from the framework of Wis. Stat. §66.0139.

SECTION II: PROVISIONS RE-NUMBERED AND CREATED.

City of Reedsburg Code Section 4.07 is re-numbered Code Section 4.10.
City of Reedsburg Code Section 4.07 is created.

SECTION III: PROVISION AS CREATED.

4.07 DISPOSAL OF ABANDONED PROPERTY

(1) The Police Department is authorized to dispose of abandoned property in its possession and unclaimed for at least 30 days.

(2) Based upon the value of an item, whether it is generic or unique, the condition of the item, and whether the item may have a use in City operations, items may be disposed of in any of the following ways:
   (a) An Internet auction site (i.e., eBay, PropertyRoom.com, etc.);
   (b) The bulk sale of items, including sale as scrap;
   (c) Conversion of the item for use by the City;
   (d) Sale at a live auction;
   (e) Donation to 501(c)(3) organizations upon application and proof of non-profit status; or
   (f) Any other method of sale deemed reasonable by the Chief of Police based upon the unique characteristics of the item.

(3) Firearms shall be disposed of in accordance with Wis. Stats. §§66.0139 and 968.20.

(4) Flammable, explosive, or incendiary substances, materials, or devices that pose a danger to life or property in their storage, transportation, or use immediately after taking possession of the substances may be disposed of in accordance with Wis. Stats. §66.0139(3).
The provisions of Wis. Stat. § 66.0139 are adopted and incorporated.

SECTION IV: PROVISION AS RE-NUMBERED.

4.10 PENALTY
Any person who shall violate any provision of this chapter shall be subject to a penalty as provided in Sec. 25.04 of this Municipal Code.

SECTION V: VALIDITY:
Should any section, clause or provision of the ordinance be declared by the courts to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

SECTION VI: CONFLICTING PROVISIONS REPEALED:
All ordinances in conflict with any provision of this Ordinance are hereby repealed.

SECTION VII: EFFECTIVE DATE:
This Ordinance shall be in force from and after its introduction and publication as provided by statute.

SECTION VIII.
This ordinance becomes part of City of Reedsburg Code Chapter 4.

Date of Meeting: May 14, 2018  

Subject: City of Reedsburg – Emergency Operations Plan (EOP)  

BACKGROUND AND REQUEST  
The City has revised the Emergency Operations Plan (EOP) to ensure the most effective and economical allocation of resources for the maximum benefit and protection of the civilian population in time of emergency. The EOP when revised must be adopted by the City Council. This plan establishes the policies, concepts, and general protocols required to implement the Standardized Emergency Management System (SEMS).  

ANALYSIS  
Incorporation of SEMS includes providing training to Emergency Operations Center personnel and how SEMS is activated in emergencies. The plan also includes the National Incident Management System (NIMS) and identifies how the City fits into the overall SEMS/NIMS structure. NIMS training and incorporation into the plan is also required to meet a number of federal grant requirements through FEMA. NIMS and the National Response Framework (NRF) are included under this approval for adoption by City Council.  

Minor changes include updates to historical numbers and information to be used in a local disaster since the EOP was last published. Other changes to the plan include addition of Annex A - Plan for Pets, Annex B – Severe Weather Plan, and Annex C - EOC Operations.  

This plan is consistent with the State of Wisconsin guidance available at the time the plan was revised and will be effective upon approval by the City Council.  

FINANCIAL IMPACT  
None  

STAFF RECOMMENDATION  
Staff recommends the City Council approve the April 2018 update to the City of Reedsburg Emergency Operation Plan.

Incident Priorities

1. Life Safety
2. Incident Stabilization
3. Property Preservation

14 Essential Incident Command System Features

1. Common Terminology helps define organizational functions, incident facilities, resource descriptions, and position titles.

2. Modular Organization develops following the Incident Command (IC) organizational structure based on the incident size/complexity and the hazard environment the incident creates.

3. Management by Objectives includes establishing overall objectives and strategies; developing assignments, plans, procedures, and protocols; establishing objectives for incident management activities and directing efforts to attain them; and measuring performance and facilitating corrective action.

4. Incident Action Plans (IAPs) communicate the overall incident objectives in the context of both operational and support activities.

5. Span of Control should range from three to seven subordinates for any individual with incident management supervisory responsibility to ensure effective and efficient incident management.

6. Incident Support Locations & Facilities are established in the vicinity of an incident to accomplish a variety of purposes (e.g., command posts, bases, camps, staging areas, mass casualty triage areas).

7. Comprehensive Resource Management maintains an accurate and up-to-date picture of resource use. Resources include personnel, equipment, supplies, and facilities potentially available for assignment/allocation in support of incident management activities.

8. Integrated Communications are facilitated by developing and using a common communications plan and interoperable communications processes and architectures.

9. Establishment & Transfer of Command must be clearly defined from the beginning of an incident. When command is transferred, the process must capture essential information for continuing safe and effective operations.

10. Chain of Command & Unity of Command clarify reporting relationships and eliminate confusion caused by conflicting directives. Chain of command refers to the orderly line of authority within the ranks. Unity of command means that every individual has a designated supervisor to report to at the scene of the incident.
11. Unified Command allows agencies with different legal, geographic, and functional responsibilities to work together effectively without affecting individual agency authority, responsibility, or accountability in incidents involving multiple jurisdictions or multiagency involvement.

12. Accountability at all jurisdictional levels and within individual functional areas is essential and relies on the following principles:

- Check-in. All responders must report in to receive assignments.
- IAP. Response operations must be directed and coordinated as outlined in the IAP.
- Unity of Command. Individuals involved in incident operations will be assigned to only one supervisor.
- Personal Responsibility. All responders are expected to use good judgment and be accountable for their actions.
- Span of Control. Supervisors must be able to adequately supervise, manage, control, and communicate with their subordinates.
- Resource Tracking. Supervisors must record and report resource status changes as they occur.

13. Dispatch/Deployment of personnel/equipment should only occur when requested by an appropriate authority.

14. Information & Intelligence Management should follow a defined process for gathering, analyzing, sharing, and managing incident-related information.

City of Reedsburg Emergency Operations Plan

A. Purpose

This plan has been developed to provide procedures for the City of Reedsburg government agencies to respond to various types of emergencies or disasters that affect the community. This plan also illustrates the City’s commitment to the National Incident Management System – Incident Command System. It provides a link to procedures that will be used by Sauk County government since the City of Reedsburg is part of the Sauk County Emergency Management Plan. The City of Reedsburg Emergency Operations Plan (EOP) is to be used in conjunction with the Sauk County EOP. The City of Reedsburg EOP will be maintained in accordance with current standards of the Sauk County EOP. Review of this plan shall be accomplished concurrently with the Sauk County plan.

B. Situation and Assumptions

Several types of hazards pose a threat to the lives, property, or environment in Sauk County. These hazards are outlines in the Sauk County Hazard Analysis. A copy of this is located at the Reedsburg City Hall, Reedsburg Police Department, and Sauk County Emergency Management Department.

C. Concept of Operations

Local City of Reedsburg officials have the primary responsibility for disasters which take place in the City of Reedsburg. Those officials will activate the appropriate local agencies to deal with the disaster. The Mayor or the Reedsburg Emergency Management Director is responsible for coordinating the response with Sauk County officials, if County assistance is needed.

Actions that the City and County should consider if this plan is activated:

1. City agencies assess the nature and scope of the emergency or disaster.
2. If the situation can be handled locally, do so using the procedures in this plan, as appropriate.
   a. The Emergency Management Director (EMD), or their designee, identifies the primary Incident Commander (IC), advises the mayor and coordinates all emergency response actions.
   b. The Mayor declares a local state of emergency and notifies the Sauk County Emergency Management Department of this action.
   c. Forward the local declaration of emergency to the Office of the County Board Chair.
   d. The EMD activates the municipal EOC or CP. Depending on availability and practicality the EOC or CP shall be located at the
City Hall, Police Department, or other location as deemed appropriate.
e. Department Heads and agencies are notified by the IC to respond to the appropriate location.
f. The IC issues directives as to the travel restrictions on local roads and recommends protective if necessary.
g. Notify the public via the PIO of the situation and appropriate actions to take.
h. Keep Sauk County officials informed as needed.

3. If municipal resources become exhausted or if special resources are required, request County assistance through the Sauk County Emergency Management Director.

4. If assistance is requested, the Sauk County Emergency Management Director shall assess the situation and make the appropriate recommendations.

5. Sauk County Emergency Management will complete the following if appropriate:
   a. Activate the county EOC
   b. Implement the county EOP
   c. Respond with county resources as requested.
   d. Activate mutual aid agreements.
   e. Coordinate county resources with municipal resources.
   f. Notify the Wisconsin Emergency Management (WEM) Director.
   g. Assist the City with prioritizing and allocating resources.

6. If municipal and county resources are exhausted, the Sauk County Emergency Management Director may request assistance from the WEM Director.

7. If state assistance is requested, the WEM Director in conjunction with county and local emergency management directors shall assess the disaster or emergency and recommend that personnel, services and equipment be made available for response, mitigation or recovery.

8. The WEM Director makes notification to the Governor’s Office.

9. If state assistance is granted, procedures will be followed as stated in the Wisconsin EOP and Sauk County EOP.
D. Organization

1. Organizational chart of the Emergency Operations chain of command.

E. Responsibilities and Tasks

1. See attachments for specific recommended tasks and responsibilities.

F. Resource Management

1. Resources may be allocated from the following organizations depending on need (not inclusive):
   
   a. City Department resources (See Attached, Logged by Department).
   b. Sauk County Resources available through County EOC
   c. Reedsburg School District
   d. American Red Cross
   e. Salvation Army
   f. Southern Baptist Convention
   g. Police Chaplains
   h. Reedsburg Ministerial Association
   i. Wisconsin National Guard
   j. Fort McCoy
G. Plan Development and Maintenance

The City of Reedsburg EOP Team is composed of representatives of all City Departments. These Department representatives are responsible for developing and maintaining this plan under the direction of the Public Safety Committee and Common Council.

This Team meets on an as needed basis or as determined by the Mayor, City Administrator, or Emergency Management Director. This Team reviews incidents, changes and new information and makes revisions in this plan.

This Team also conducts after-action reviews of all exercises and major incidents.

Upon updating this plan, a copy shall be forwarded to the committee of jurisdiction for approval and recommendation to the Common Council.

Sauk County Volunteer Management System - 2017

Introduction

The Sauk County Volunteer Management System (SCVMS) model consists of a System Description (describing the structure and primary functions required for the system) and Concept of Operations (how the system components function during each stage of response and recovery). This SCVMS is designed to address the use of volunteers for adequately filling positions required during an incident response. The SCVMS may be expanded and configured as needed to meet the incident requirements. Applying Incident Command System principles, positions in the SCVMS are structured to take on the responsibilities of any unfilled subordinate position in the response configuration, making the system highly collapsible or expandable.

Goal

Provide a safe, effective and efficient Volunteer Management System to process and ‘just-in-time’ train volunteers, both pre-registered and spontaneous, who arrive to assist Sauk County during emergencies, disasters, or other challenging events.

Objectives

1) Organize volunteers and volunteer groups for maximum efficiency and effectiveness in supporting incident response and recovery efforts.
2) Provide for the safety of volunteers.
3) Process and catalogue volunteers to efficiently match volunteer skills with the identified incident response personnel needs.
4) Provide effective orientation and ‘just-in-time’ training for volunteers to understand their roles, responsibilities, and supervision issues.
5) Integrate the SCVMS and processed volunteers into the Incident Command System/Incident Management System (ICS/IMS) that is managing the incident.
6) Maximize the volunteer experience to promote increased volunteer participation in future events.

Assumptions

An extensive number of assumptions were delineated in the System Description, to provide an understanding of the basis for this model system. They explain:

- The rationale for a volunteer management system and the critical issues that must be addressed, including direct responsibility for recruiting and processing volunteers throughout the response and recovery phases, and the need for ‘just-in-time’ training.
- The rationale for using Incident Command System/Incident Management System (ICS/IMS) concepts to develop the SCVMS and for integrating the system into the ICS/IMS that is managing the incident.
- The various categories of volunteers: spontaneous versus recruited, affiliated pre-
incident versus unaffiliated, pre-registered, accepted, volunteer groups, and support volunteers.

Sauk County Volunteer Management System (SCVMS) System Description

During an incident, the SCVMS will be based at a Volunteer Management Center (VMC). The location of this facility may vary and physical requirements to adequately support the SCVMS are listed within the project. The management of the SCVMS and the processing of volunteers are both located within the VMC to minimize staffing requirements. A Volunteer Point of Assembly (VPOA) is delineated, in case a separate location is needed for the initial contact with potential volunteers.

The organization of the SCVMS, based upon ICS principles and the tasks necessary for efficient management and integration of volunteers into the response and recovery are grouped according to similarity of purpose. Not all functions or positions are staffed in all incidents Per ICS fundamentals that is dependent upon the nature and complexity of the incident. In events where no individual is assigned to a functional position, the responsibility for accomplishing the function or task is assumed by the supervisory position for that function or task.

The VMS Manager provides the overall supervision of the SCVMS system and is therefore responsible for the overall effectiveness of the SCVMS response. This responsibility involves:

- establishing the SCVMS control objectives as well as objectives for each operational period
- Assuring the system is adequately functioning
- Problem-solving issues that can’t be resolved at a lower level
- Performing any necessary senior liaison and public information tasks
- Addressing safety issues for the VMC and volunteers (unless delegated to a safety officer).

The Operations Section achieves the objectives set by Management, which are primarily organizing and processing volunteers, and then integrating the accepted volunteers into the incident. Two Operation Branches are therefore described: the Volunteer Processing Branch and the Incident Integration Branch.

The Volunteer Processing Branch is focused on the volunteers themselves. This Branch is responsible for:

- The overall reception, cataloging, briefing, training, assigning, and scheduling of volunteers. Information related to all of these activities is continually provided to VMS Plans for incident archiving and maintaining accountability of volunteer records.

- Establishing the Volunteer Point of Assembly (VPOA), a location where volunteers should report to for in-processing in the Volunteer Management Center
(VMC). The VPOA and VMC are commonly co-located for incidents, but may be located separately. Volunteers will not be allowed to participate in response unless they have initially reported to the VPOA and are processed through the Sauk County Volunteer Management Center (VMC).

- Establishing the organized processing of incoming & outgoing volunteers. Volunteers are provided with a written orientation to the VMC and their responsibilities as volunteers. Those wishing to proceed are registered, have their credentials verified (identification/certification/qualification-the exact process to be determined by Sauk County based on the incident) and if accepted/approved, are placed on a roster according to their skill sets for possible assignment.
- Establishing an identification system to ensure accountability and mitigate the chance of injury.
- Assure that volunteers are dressed properly for the jobs they will be conducting. *(Public information messages will clearly state what required dress is. Safety Officer will provide a safety message, which includes proper dress to staff doing volunteer check-in.)*
- Review and verify volunteers photo identification.
- Verify volunteers are at least 18 years of age. *(Utilizing volunteers under 18 is at the discretion of the incident commander. The incident commander must approve utilizing volunteers under 18.)*
- Volunteers will give staff their ID and staff will print information requested on form. Registered volunteers will be given a wristband with a number. Number will correspond with the number on the registration form thus allowing identification during an emergency.
- Obtain a signed "Sauk County Volunteer Management Waiver".
- Matching accepted/approved volunteers with appropriate incident positions that the Incident Management System has requested be filled. Volunteers without an assignment are either staged (if an expected assignment is pending), or released with a call-back mechanism in place in the event that an appropriate position need is identified.
- Provide Volunteers who have accepted an assignment an assignment briefing. This provides a situation update and addresses job risks and safety issues, personal protective equipment (PPE) orientation, and standard volunteer operating procedures. Assignees are given the opportunity for their questions to be answered. Specific assignment tasks, shift length and duration, supervisory requirements, liability and worker’s compensation details (to be determined by Sauk County) are provided either in this briefing or later at their job briefing by their direct supervisor.
- Provide Volunteers equipment and supplies as indicated by their role *(some will be equipped at the incident site).* Issue the volunteer their site access badge and arrange transportation to their work site. Upon arrival at their designated assignment, their supervision is transferred to designated incident (IMS) personnel where assignment-specific instructions are provided.
- Out-process volunteers that have completed their assignments and returned to the Volunteer Management Center (VMC) Includes evaluation and rehabilitation and re-assignment if qualified and willing. If no further assignment is offered or
accepted, out-processing will include an incident review (a brief review of activities while managed by Sauk County), a performance evaluation if not accomplished by their incident supervisor, counseling as indicated, and return of volunteer issued equipment, unused supplies, and the access privilege badge. At this time the volunteer is given the opportunity to provide feedback on the Sauk County Volunteer Management System operations.

- The Volunteer Processing Branch may also be responsible for volunteer recruitment if this is necessary, or, alternatively, developing messages for ICS/IMS to publicize that no further volunteers are needed.

The Incident Integration Branch is responsible for:

- Working with the Incident Management System to identify incident volunteer needs and to monitor volunteers assigned to the incident. This could also be accomplished through the Sauk County Emergency Operations Center (EOC).
- Takes the requests for assistance and translates these into categories of current and anticipated volunteer capabilities, and delineates details necessary for the assignment briefings (specific job tasks, shift time and location, etc.). This information is provided to the Volunteer Processing Branch, and also forwarded to SCVMS Plans for documentation.
- Conducts volunteer tracking while volunteers are deployed on-incident, provides briefings to ICS/IMS personnel on the role of volunteers, and maintains a ‘trouble desk’ function to answer questions ICS/IMS personnel or deployed volunteers may have. The Trouble Desk also assists with documenting any adverse incidents involving deployed volunteers, and investigates/intervenes as indicated.

The SCVMS Logistics Section, Planning Section and Administration/Finance Sections provide support to Management and Operations per standard incident management principles.

SCVMS TOOLKIT

ICS forms will be used for all documentation. These forms will be part of the SCVMS as an appendix. The toolkit will be maintained and kept in the Sauk County Emergency Operation Center.

FOLLOW-ON ACTIVITIES

As with any new systems development, implementation requires personnel designation, equipment purchase and storage/staging arrangements, and the follow-on steps of education, training, exercise/evaluation and system improvements. Implementation decisions, such as a definitive procedure for verifying volunteer credentials, and other development activities are currently being conducted by Sauk County Emergency Management to ready the SCVMS for operation.
CONCLUSION

The SCVMS has been developed to enable Sauk County (Wisconsin) to effectively and efficiently integrate volunteers, as required, during emergency response and recovery. The model is consistent with the Sauk County Emergency Operations Plan and with the ICS required by the National Incident Management System. Volunteer managers have valid tools to accomplish their volunteer-related responsibilities and volunteers are provided a structured system that enables them to safely engage as they render assistance.

Release of Liability Statement

I, for myself and my heirs, executors, administrators and assigns, hereby release, indemnify and hold harmless the County of Sauk, Wisconsin, and the supervisors of the response and recovery efforts from all liability for any and all risk of damage or bodily injury or death or property damage, including any injury or damage caused by negligence, in connection with any volunteer effort in which I participate or which may arise from my participation in volunteer efforts or from my presence on a Sauk County/City of Reedsburg site or in a Sauk County/City of Reedsburg vehicle or vehicle contracted, leased or otherwise made available for use by Sauk County/City of Reedsburg as part of said participation. In addition, Sauk County/City of Reedsburg officials have permission to utilize any photographs or videos taken of me for publicity or training purposes without compensation paid to me, I will abide by all safety instructions and information provided to me during the response and recovery efforts.

Further, I expressly agree that this release, waiver and indemnity agreement is intended to be as broad and inclusive as permitted by the State of Wisconsin, and that if any portion thereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

I acknowledge that work may involve dangerous and/or strenuous activities and that bending and lifting will be a part of the job. I acknowledge that I may have to work in uneven terrain and damp, wet, Dirty, hot or cold, and muddy conditions.

I have no known physical or mental condition that would impair my capability to participate fully, as intended or expected of me.

I have carefully read the foregoing release and indemnification and understand the contents thereof and sign this release as my own free act.

Equipment Rate Resolution

RESOLUTION

RESOLUTION OF THE CITY OF REEDSBURG CITY COUNCIL
ADOPTING THE STATE OF WISCONSIN EQUIPMENT RATE LIST
APPROVING EQUIPMENT AND VEHICLES RATES FOR THE
CITY OF REEDSBURG, WISCONSIN

WHEREAS, the Wisconsin Department of Transportation establishes a Schedule of Classified Equipment and Vehicle Rates that are updated annually; and

WHEREAS, The City of Reedsburg uses these State Equipment Rates when issuing invoices that include charges for the use of the City of Reedsburg’s owned equipment; and

WHEREAS, the adoption and use of these State Equipment and Vehicle Rates assists the City of Reedsburg in receiving reimbursement from the Federal Emergency Management Agency (FEMA) and the Wisconsin Emergency Management Agency for work performed by the City during emergency situations;

THEREFORE, BE IT RESOLVED, The City Council of the City of Reedsburg does hereby adopt the State Equipment and Vehicle Rates for the use of City’s owned equipment and vehicles that are listed in Section 1:

SECTION 1:

The following published State of Wisconsin Equipment and Vehicle Rates are incorporated as part of this Resolution.

- Composite Rates (02-25-60)
- Non-Standard Rates (02-25-55) and photos
- Classified Equipment Rates (02-25-80) and photos

ADOPTED on this 27th day of March, 2017.

Annex A – Plan for Pets

If you are a pet owner, your Disaster Plan must include your pets. Different disasters require different responses. If it’s not safe for you to stay in the disaster, it’s not safe for your pet to stay. Therefore, pet owners must take responsibility for their pets as they would for any member of their family who cannot take care of themselves in a disaster.

In the event of a disaster in which you must evacuate your family, the most important thing you can do to protect your pets is to evacuate them too. Leaving pets behind is likely to expose them to danger and may result in them being injured, lost or killed. Because most shelters will not accept pets, except for service animals, you must plan to ensure that your family and pets will have a safe place to stay. Some warnings for disasters may be issued hours or days in advance. Prepare your pet and supplies early so that you can leave with them quickly if necessary.

- Know which hotels and motels outside your immediate area will accept pets during disasters.
- Check with friends, relatives or others outside your immediate area and determine if they would be able to shelter you and your pets or just your pets if necessary
- Make a list of veterinary offices and boarding facilities which might be able to shelter pets in emergencies
- Create a survival kit for your pet that includes:
  - Identification collar and rabies tag with up to date information. Attach phone number and address of where you’ll be staying during the evacuation
  - Animal carrier or cage and leash with bedding material
  - Medications and veterinary records stored in a waterproof container. Most kennels will not allow pets without proof of vaccination.
  - Bags for handling waste
  - Two-week supply of food, water, and food bowls
  - Other items such as grooming items, toys, household bleach
- Pets may be disoriented after a disaster. Familiar sights and smells may be gone. Try to get pets back into their normal routine as soon as possible after a disaster. Behavioral problems that cause stress to the pets may have to be addressed by a veterinarian.

Pet Friendly Accomodations

Below are listed some pet friendly hotels and motels in and around the Reedsburg area. It is recommended that residents call the business themselves to determine the availability of rooms and housing for pets.

Annex B - Severe Weather Plan

Section A - Introduction

The purpose of this Severe Weather Plan is to provide a course of action to be used during a severe weather event to minimize the potential for injury and loss of life that can result during severe weather. This plan also identifies the most tornado-resistant areas in your building. These areas are not necessarily to be considered tornado safe; but, in our judgment, they are the "best available" for locating people during tornado warnings. This plan should be reviewed at least annually by all employees in your area to ensure that everyone knows where the severe weather shelter area is and what to do when the severe weather siren activates. Tornadoes develop from high winds associated with thunderstorm activity or in conjunction with hurricanes. Typically, spring and late summer thru early fall seasons provide the best conditions conducive to tornado formation, although, a tornado can form during any season.

Section B - Severe Weather Definitions

Tornado

A violently rotating column of air, usually pendant to a cumulonimbus, with circulation reaching the ground. It nearly always starts as a funnel cloud and may be accompanied by a loud roaring noise. On a local scale, it is the most destructive of all atmospheric phenomena.

Tornado Warning

This is issued when a tornado is indicated by radar or sighted by spotters; therefore, people in the affected area should seek shelter immediately. They can be issued without a Tornado Watch being already in effect. They are usually issued for a duration of around 30 minutes.

Tornado Watch

This is issued by the National Weather Service when conditions are favorable for the development of tornadoes in and close to the watch area. Their size can vary depending on the weather situation. They are usually issued for a duration of 4 to 8 hours. They normally are issued well in advance of the actual occurrence of severe weather. During the watch, people should review tornado safety rules and be prepared to move to a place of safety if threatening weather approaches.
Severe Thunderstorm

A thunderstorm that produces a tornado, winds of at least 58 mph and/or hail at least 1" in diameter. Structural wind damage may imply the occurrence of a severe thunderstorm. A thunderstorm wind equal to or greater than 40 mph and/or hail of at least 1/2" is defined as approaching severe.

Guide for determined hail sizes:
- Less than 0.50” Pea
- 0.50” – marble/mothball
- 0.75” – dime/penny
- 0.88” – Nickel
- 1.00” – quarter
- 1.25” – half-dollar
- 1.50” – walnut/ping pong
- 1.75” – Golf Ball
- 2.00” – Hen Egg
- 2.50” – Tennis Ball
- 2.75” – Baseball
- 3.00” – Tea Cup
- 4.00” – Grapefruit
- 4.50” – Softball

Severe Thunderstorm Warning

This is issued when either a severe thunderstorm is indicated by radar or a spotter reports a thunderstorm producing hail one inch or larger in diameter and/or winds equal or exceed 58 mph, therefore, people in the affected area should seek safe shelter immediately. Severe thunderstorms can produce tornadoes with little or no advance warning. Lightning frequency is not criteria for issuing a severe thunderstorm warning. They are usually issued for a duration or one hour. They can be issued without a Severe Thunderstorm Watch being already in effect.

Severe Thunderstorm Watch

This is issued by the National Weather Service when conditions are favorable for the development of severe thunderstorms in and close to the watch area. A severe thunderstorm by definition is a thunderstorm that produces one inch hail or larger in diameter and/or winds equal or exceed 58 mph. The size of the watch can vary depending on the weather situation. They are usually issued for a duration of 4 to 8 hours. They are normally issued well in advance of the actual occurrence of severe weather. During the watch, people should review severe thunderstorm safety rules and be prepared to move to a place of safety if threatening weather approaches.
Severe Weather Statement

A National Weather Service product which provides follow up information on severe weather conditions which have occurred or are currently occurring.

Flash Flood

A flood which is caused by heavy or excessive rainfall in a short period of time, generally less than 6 hours. Also, at times a dam failure can cause a flash flood, depending on the type of dam and time period during which the break occurs.

Flash Flood Warning

Issued to inform the public, emergency management, and other cooperating agencies that flash flooding is in progress, imminent, or highly likely.

Flash Flood Watch

Issued to indicate current or developing hydrologic conditions that are favorable for flash flooding in and close to the watch area, but the occurrence is neither certain or imminent.

Section C - Thunderstorms

Thunderstorms may develop at any time of the year. Although thunderstorms can occur during any month, the more violent storms occur in the spring and summer months. Thunderstorms can be single cell, multicell cluster, multicell line, and super cell. Supercells always form severe thunderstorms. Thunderstorms typically consist of very high winds, rain, lightning, and in many cases hail. Typically, the larger the hail is, the stronger the thunderstorm is. Hail one inch in diameter or more with winds in excess of 58 mph indicate a severe thunderstorm where tornados are likely to be spawned. Tornado formation is most likely to occur where the hail falls. Another dangerous aspect of a thunderstorm is lightning. The best protection from lightning is to seek shelter in a nearby building. Flooding can also occur in low areas and in areas where storm drains are blocked. It is also no surprise that severe thunderstorms can produce damaging winds with or without forming tornados.

Section D – Anatomy of a Tornado

Tornados form under a certain set of weather conditions in which three very different types of air come together in a certain way. Near the ground lies a layer of warm and humid air along with strong south winds. Colder air and strong west or southwest winds lie in the upper atmosphere. Temperature and moisture differences between the surface
and the upper levels create what is called instability, while the change in wind with height is known as wind shear. This shear is linked to the eventual development of rotation from which a tornado may form.

A third layer of very warm dry air becomes established between the warm moist air at low levels and the cool dry air aloft. This very warm layer acts as a cap and allows the atmosphere to warm further making the air even more unstable. Things start to happen when a storm system aloft moves east and begins to lift the various layers. Through this lifting process the cap is removed thereby setting the stage for explosive thunderstorm development as strong updrafts develop. Complex interactions between the updraft and the surrounding winds, both at storm level and near the surface, may cause the updraft to begin rotating and a tornado is born.

A tornado is a violently rotating column of air in contact with the ground with speeds of 60-300 mph. It is only visible due to water droplets mixed with dust and debris. Doppler radar will not "see" tornados. The radar only detects precipitation and light rain in the center of heavy rain indicates tornado potential. Contrary to popular belief, tornados do not leave the ground, only the intensity changes and they appear to "jump". Tornados can be categorized into three groups based on the "Fujita" scale.

- Weak - 80% of all tornados, 60-110 mph winds, path 3 miles long lasting 1-10 minutes, Cause less than 5% of all deaths.
- Strong - 19% of all tornados, 110-205 mph winds, path less than 5 miles, lasting 10-20 minutes. Cause 30% of all deaths.
- Violent - 1% of all tornados, winds greater than 205 mph, can have a 50 mile path lasting up to 60 minutes. Cause 70% of all deaths.

The most common direction of a tornado path is from the southwest to the northeast but they can come from any direction. Tornadoes are most likely to occur during the afternoon and evening. The most violent storms occur in April through September. The peak hours are from 12:00 noon until 7:00 P.M.

Section E – Effects of High Winds

The causes of damage to buildings by a tornado may be classified in one of three categories which include: extreme winds, missiles, collapse. All buildings have at least one undesirable structural feature relating to the effects of a tornado. Examples are: large areas of glass, long roof/ceiling spans, wind tunnels, and load-bearing wall construction. The areas designated in this report are not to be considered "tornado-proof", but rather the best available areas for sheltering during tornado and severe thunderstorm warnings.

As much as possible, the shelters were selected to:

- Avoid glass
- Avoid interior and exterior doors
- Utilize interior spaces with short spans
- Keep occupants as far away as possible from entrances
- Avoid areas expected to become wind tunnels
- Distribute locations throughout the building to facilitate rapid access
- Avoid areas where chemicals are stored
- Put as many walls as possible between you and the exterior of the building

Section F – Emergency Notification System

Severe weather alerts are transmitted by two means: via pole-mounted outdoor sirens stationed at six specific locations around the City and via severe weather radios located within City buildings. The sirens are tested audibly on the 1st Wednesday of the month at noon (this will not occur if it is storming to prevent confusion).

Watches and warnings are broadcast via the severe weather radios. Minimum actions that should be taken based on specific alerts are detailed in the next section.

Sirens will not sound for a tornado watch, only for a tornado warning which means one has been sighted in our area. The sirens will activate for three minutes when a tornado has been sighted. The primary activation location for the sirens is from the Reedsburg Police Department Communications Center. A secondary activation location is from the fire station. Sauk County also has the capability to activate the Reedsburg Tornado Sirens.

The NWS will activate Wireless Emergency Alerts (WEA) for tornado warnings. The City of Reedsburg Emergency Manager is a registered user of the Integrated Public Alerts and Warning System (IPAWS) and may use the WEA feature post tornado or severe weather event to broadcast life safety messages.

Section G – Minimum Actions to be Taken Based on Weather Alerts

Severe Thunderstorm Watch

Be aware that conditions may be suitable for the development of a severe thunderstorm.

Severe Thunderstorm Warning

Review your severe weather action plan. Usual activities can continue but be prepared to seek shelter. Avoid going outside if possible. Department supervisors should ensure facilities are in place to respond to storm related emergencies.
Tornado Watch

Review your severe weather action plan. Usual activities can continue but be prepared to seek shelter. Department supervisors should maintain situational awareness by continuously monitor weather reports and conditions related to the severe weather, i.e. traffic problems, storm damage, staffing and equipment needs. Police, Fire, EMS, and Public Works supervisors should establish communications and determine the need to institute a Unified Command at an Incident Command Post.

Tornado Warning

When a tornado warning is issued, the outdoor sirens will be activated, and the NWS will broadcast the warning using NOAA weather radios and Wireless Emergency Alerts (WEA) are activated through the FCC and FEMA based off the NWS alert. All employees should immediately proceed to their building's designated shelter area. Employees near a severe weather radio(s) in the building should unplug them and take them to the shelter area to monitor for additional warnings. All persons located outdoors shall seek shelter indoors immediately.

When a tornado warning is issued, the Reedsburg Police Department Communications Center will activate the pagers of the Reedsburg Fire Department and Reedsburg Ambulance and advise of the tornado warning. All available fire personnel will use their best judgment to decide if they can safety respond to the fire/ems facility where they will immediately seek shelter. No emergency services response should occur during a Tornado Warning for any non-emergency call until it expires, is canceled, or unless directed by a department supervisor.

Exterior doors should not be opened. Under no circumstances should persons leave buildings during a warning. During a warning, persons should take one of two positions -- The preferred position is kneeling with their head between their knees facing the wall, and the other is, seated on the floor with their backs to the wall. In either case, they should be as low as possible to reduce their potential for injuries from flying missiles or glass or debris. If available, some form of covering should be used to protect heads, arms, and legs.

Building occupants should remain in the shelter area until the National Weather Service issues a release. Listen to your radio for information.

Remember, you typically have only three minutes to reach a shelter so do not delay. Waiting can mean the difference between life and death. Everyone must be familiar with the location of the severe weather shelter area(s) in their buildings and should be briefed on what actions to take when the sirens have sounded. Persons in the shelter should tune to local radio stations, their severe weather radio, and/or a NOAA weather radio for additional information.
Section H – Severe Weather Kit

Every building should have at least one Severe Weather Kit. Some buildings will have more than one. The kit should include at least the following items:

- Flashlight(s), with extra batteries
- Battery-operated Radio, with extra batteries
- NOAA Weather Radio if available
- First-aid Kit
- An A-B-C-type fire extinguisher
- Several Blankets

Section I – Shelter Area Identification

Shelter locations for the occupants of the following City owned buildings are as follows:

1. FIRE DEPARTMENT, 131 South Park Street
   a. Basement

2. REEDSBURG CITY HALL, 134 South Locust Street
   a. Internal upstairs break room
   b. Downstairs bathrooms

3. AIRPORT, 1720 E MAIN ST
   a. Utility room

4. POLICE STATION, 200 South Park Street
   a. Interior Restrooms
   b. Lobby Restroom
   c. Cognitive Graphic Interview Room
   d. Cognitive Graphic Viewing Room
   e. Booking

5. AMBULANCE SERVICE GARAGE, 230 Railroad Street
   a. Interior Bathrooms
   b. Laundry Room

6. BOYS AND GIRLS CLUB, 300 Vine Street
   a. Classrooms A and/or B
   b. Go across the street to the PD

7. REEDSBURG PUBLIC LIBRARY, 370 Vine Street
   a. Lobby Restrooms
   b. Staff Breakroom / Restroom

8. PUBLIC WORKS, 414 South Walnut Street
   a. Internal storage room

9. WASTEWATER TREATMENT PLANT, 802 Division Street
   a. Office sever room

10. SWIMMING POOL, 425 N Webb Avenue
    a. Bathhouse/Guard House
11. RACA & CONCESSION, 1411 Viking Drive
   a. Concession Area
   b. Restroom Area
12. REEDSBURG UTILITIES, 501 Utility Court
   a. Men’s Locker Room/Restroom
   b. Women’s Locker Room/Restroom

Section J – Measures to be Taken When Using a Shelter Area

- All doors around shelter areas should be closed and secured during a tornado warning.
- Windows and doors with glass panels should be avoided because of potential missiles propelled by high wind.
- Chemicals and cleaning supplies should be removed from areas designated for shelter use and relocated to a non-shelter area.

Applicant Jake Stanek proposes to buy this property and convert plat it into six additional lots, plus one existing lot on 8th St. If the preliminary plan is approved, he would return with a final plan for approval.

ANALYSIS
The property is located at the end of Mary Ave. It is zoned R-2 Residential and is 6.5 acres in size. The lots would be platted per the R-2 zoning standards. Five lots would be located on a short extension of Mary Ave at the top of the hill. A sixth lot would be located with access from 11th St that is at a lower elevation. Extension of utilities has been reviewed by RUC. A retention pond may be located between Lots 3 and 4.

The current east end of Mary Ave is lower than the rest of the street. Therefore water ponds at that end and floods a nearby rear yard. Public Works had planned to raise that section so that water would drain down Mary Ave to the west. However, this agreement will re-design the last 100 feet of Mary Avenue and all the street drainage will drain west. As part of this agreement the Developer will pay for all necessary Utility improvements including sewer, water, electrical and any other necessary improvements. The City is agreeing to paying for curb, gutter and asphalt installation.

If this project is approved and is built this summer Public Works is proposing to place Mary Avenue as a candidate for re-building in 2019 since the street is in bad shape and the water Utility has had numerous watermain breaks the last few years.

Also part of the agreement is the Developer must meet with the Parks Committee to determine if any park infrastructure will be required as part of this development.

STAFF RECOMMENDATION
Plan Commission and Public Works recommend approval. Parks & Rec will also review in May.

ACTION:
If the Mayor and City Council are ready, the following action may be made:

Motion to approve/deny the preliminary concept plan for Deer Ridge Development.  
Motion to approve/deny the Development Agreement for Deer Ridge Development.

Concept Plan, draft Development Agreement
This Development Agreement is made this _____ day of ____________, 2018, by and between the City of Reedsburg, a Wisconsin Municipal corporation, 134 South Locust Street, P.O. Box 490, Reedsburg, Wisconsin 53959, (the “City”), and Jake Stanek (the “Developer”).

R E C I T A L S

WHEREAS, the Developer intends to develop the property as a residential subdivision as shown on Exhibit ‘A’; and

WHEREAS, the Developer intends to submit a Plat and dedicate all street right-of-way to the City; and

WHEREAS, the Developer shall work with the City to extend Mary Avenue as a cul-de-sac; and

WHEREAS, the Developer intends to design and obtain City approval of the plans and construct the infrastructure improvements within the area as shown on the attached Exhibit A and transfer said improvements to the City; and

WHEREAS, it is the intent of the City and Developer to limit their respective liabilities to their own actions and not the actions of each other; and

WHEREAS, the parties believe it to be in their mutual best interests to enter into a written Development Agreement, which sets forth the terms of their understanding:

NOW, THEREFORE, in consideration of the foregoing recitals and the terms and conditions hereinafter set forth, it is hereby agreed as follows:

A. Performance Obligations of the Developer. The Developer shall:

1. Obtain at its cost professional engineering services from a firm that is acceptable to the City, for the design, construction inspection and engineering oversight (“engineering services”) of the construction of the sanitary sewer, water main and storm sewer if necessary to serve the property within the public right-of-ways and easements (“public improvements”) within the area as shown on Exhibit A. Plans and specifications for the said public improvements shall be
submitted to and approved by the City Engineer before any construction of the public improvements is commenced.

2. Be responsible for all of the cost of the engineering services and construction of the public improvements stated above in section A (1).

3. Be responsible for grading the new street right-of-way to top of subgrade elevation along with all cost.

4. Allow City personnel access to the construction site for periodic and final inspection and oversight of water main and sanitary sewer testing.

5. Satisfy all obligations to the City required by the Parks and Recreation Committee before any construction of the public improvements is commenced.

6. Provide sidewalks along all streets. Sidewalks may be installed after the parcels are improved but need to be installed before an occupancy permit is issued for the improvement. If after five years from the date of the final plat approval, improvements have not been made on the parcels, the City may require installation of sidewalk for the remaining vacant parcels and cost special assessed and billed to the property owner.

7. The Developer or applicant for a building permit will pay the applicable park impact fee, water impact fee and sewer connection charge along with any other permit fees applicable at the time of the building permit application.

8. Provide a surety bond or letter of credit to the City for a period of one year after completion of construction in the amount of twenty (20%) percent of the estimated cost of the public improvements to guarantee workmanship and materials of construction and to save the City harmless from any cost to repair or replace the improvements. This must be provided to the City before any construction of the public improvements is commenced.

9. Indemnify the City and hold it harmless against all liabilities, claims, and demands including defense costs for personal injury or property damage arising out of or caused by any act or omission of the Developer, its contractors, subcontractors, agents, or employees, or arising in or about the project at any time from the date of this
Agreement until final completion of construction. The Developer shall use proper care in the performance of its work so as not to cause damage to any adjacent property, and the Developer shall indemnify and hold the City harmless from any liabilities, claims, or demands for damage to such adjoining or adjacent property during construction and one year after final completion.

10. Require all contractors engaged in construction of public improvements to indemnify the City and provide insurance coverage’s and liability limits that are established by the City. The Developer shall also require contractors engaged in the construction of this development to maintain a current certificate of insurance on file with the City Clerk.

11. Developer will obtain all required permits and pay all associated fees necessary before construction.

12. Provide to the City a final set of as-built plans along with water main and sanitary sewer test results within 60 days after completion of construction.

13. The Developer shall satisfy all obligations to the City required by the Reedsburg Utility Commission before any construction of the public improvements is commenced.

B. Performance Obligations of the City. The City shall:

1. Review and approve construction plans for the public improvements.

2. Perform periodic inspection of the installation of the public improvements during construction and final inspection upon completion of construction and request by the Developer as provided below.

3. Provide oversight of water main and sewer main testing done by the Developer.

4. City will pay for and install gravel base material along with curb, gutter and asphalt.

5. City will topsoil and seed a maximum of 8 feet behind the curb and anything beyond the 8 feet will be the responsibility of the Developer.
C. General Provisions.

1. Not earlier than one year after completion of construction and the submission of the required test results and as-built plans to the City Engineer, the Developer shall request in writing that the public improvements be finally inspected by the City and transferred to the City for its perpetual ownership and maintenance. Said request will include written lien waivers from all persons and entities providing materials or labor for the design, construction and testing of the public improvements. The City Engineer will notify the Developer in writing within 21 days after receipt of the Developer’s if the City accepts the public improvements or if there are reasons why it cannot accept the improvements at that time. The Developer shall remedy the reasons for rejection within 60 days and provide the City with written verification that the reasons for rejection have been remedied. Should the Developer fail for whatever reason to apply to the City for acceptance of the public improvements as provided herein, the City may, not sooner than two years after completion of construction of the public improvements, notify the Developer in writing that it is assuming ownership and maintenance of said public improvements and the Developer waives any right to claim ownership after the date of said written notice.

2. The rights and obligations contained in this document are non-assignable without written approval of both parties.

3. This agreement represents the complete agreement of the parties and may be amended only by a writing signed by both parties.

4. In the event that any single term of this document is found to be illegal or unenforceable, the remaining terms of the document shall be given full force and effect by the court.

5. The terms and conditions of this Agreement shall be governed by the laws of the State of Wisconsin and that in the event of a dispute; venue shall lie for all parties in Sauk County Circuit Court, Sauk County, Wisconsin.
To: Mayor and Common Council  
Prepared By: Jacob Crosetto, City Clerk-Treasurer  
Through: Stephen P. Compton, City Administrator  
Date of Meeting: May 14, 2018  

BACKGROUND:

The purpose of this report is to provide the City Council with a status of the FY 2018 Operating Budget at the 25% point, including an overview of revenue and expenditures. This report also includes a brief discussion of the City’s current year General Fund Reserve, Enterprise and Other Funds.

FY 2018 25% BUDGET STATUS:

The 2018 Budget Performance Report is a report covering a three month period from January 1, 2018 to March 31, 2018. Revenues are tracking lower than budgeted and actual expenses typically occur lower than budgeted as well. The reduction in revenue is as a result of property taxes not being journalized in the first quarter. The money is received, but is allocated in April. Property taxes are approximately 71.66% collected, with the remaining amount to be collected in August from the County. In addition, increased activity in the Planning/Building Department has led to higher revenues for Building Permits, Trade Fees (Electrical and Plumbing) than projected. Staff continues to monitor all of these revenue sources on a regular basis to ensure that projections are valid for the budgeted fiscal year.

Actual revenue to budgeted revenue is 4.53% percent higher than expected as this point. The decrease in intergovernmental revenue is due to the State and the time in which we receive funds such as shared revenue. We expect to be receiving the remaining state aids in mid-November. ERP funds for 2017, payable in 2018, will be recorded in July, as the City Clerk-Treasurer submitted the forms to DOR to prove qualification in April 2018.

Actual expenses to budgeted expenses are running approximately 3.28% under by all general fund departments. Some General Fund expenses peak in the summer months, so it is expected that these expenses will grow slightly over the next quarter. Additionally, general fund transfers in/out will be recorded in third quarter after review with the audit team, so we expect the rest of the year to be right on track.

Actual Sewer Revenue to budgeted revenue is 3.61% lower than budgeted. The decrease is attributed to the CWF loan received in April, so we will see these figures in the second quarter report. Actual expenses to budgeted expenses are higher than the budget period, by 9.33%. The reason for them being above what is expected at this time is as a result of revenue bond principal payments, which are due in the first quarter. The airport is below on revenue since the tax levy is journaled in April and the bulk of the fuel sales occur in the summer.

Within special funds, the Debt Service fund is on track for the year despite looking higher than the 25% number. This is only because of when we pay debt and as such, the summer has fewer payments. This will be evident in the next quarter report. Additionally, we receive funds from the Utility Commission on a quarterly basis, which doesn’t always line up perfectly when bond payments are due. So throughout the year, the debt service fund corrects itself. You will also note that Room Tax is right on track for the year, but we hope that this increases now that the winter is over. Over the last two years, the third quarter saw a large increase in Room Tax, so we expect the same results for 2018.

The Webb Fund is performing well in 2018, despite the market, and we expect to come in roughly 15% above revenue by the end of the year. On the expense side, the Webb Fund is substantially under budgeted expenses. The City Clerk-Treasurer released 2 press releases and placed an advertisement on the City website to increase applications. The Mannigal Fund documents are being reviewed in 2018 to potentially close the account into Parks and Recreation, which was the intention of the fund to begin with.

The above table includes all of the Capital Improvement Funds in one location. For all funds in this section 24.41% of revenue has been collected and 30.37% expensed. As noted above, transfers have not been made yet and property taxes are journalyzed in April, so we expect these funds to smooth out over the next two quarters. Additionally, the Joint Board will meet in September, along with the City Treasurer and Ehlers to go over cash flow projections, future developments, and to fulfill the annual meeting requirement for TIF 9, created in 2016.

This is the first time we are seeing the Internal Service Fund (ISF) within this report. The ISF has not received transfers in yet, as the auditors are reviewing the best way to do this. Additionally, expenses for items will most likely come in later in the year. More detail will follow in the next quarter.

Within the Non-Major Funds, we show a trend of 15.46% below revenue and 24.27% below expenses. Much of this is as a result of the summer not being here yet. Many of these items are very summer-based and will see expenses in the next quarter.

**ANALYSIS:**

The City’s outlook at 25% of the year is encouraging due to planned expenditure reductions and increased revenues. The City Clerk-Treasurer has begun working with American Deposit Management and funds are being moved as early as next week into our new accounts. We expect that, with the market, we will have strong returns over the next 18 months.

**Future Areas – Under Review:**

Municipal Court Accounting: A study of the Municipal Court accounting which are currently in the General Fund will be presented in the summer for discussion and a decision to create a Special Revenue Fund. This create a standalone accounting fund for the purposes of the Municipal Court.

CDBG Accounting: With the change in the Community Development Block Grant Committee by placing responsibilities under the Community Development Authority. The CDBG funds are located in a separate “Company” and not included in the general accounts for reporting. This is being studied to bring these funds into the current CDBG - Operating Fund 40. Presently this account is used for CDBG Administration costs management. The CDA requested information at the last meeting about the 95 active loans and this information is being gathered.

**Investment Policy:** Currently the policy is being reviewed for update in 2018.

**STAFF RECOMMENDATION:**

Staff is recommending that the Council receive and file this report.

**ATTACHMENTS:** None.
