Once students are in place and everyone is ready, around 12:45pm we will move toward the beginning of the parade route by taking HWY 23/Albert Ave. north.

Convertibles and floats will then take a right onto Clark Street where they can wait until they begin the parade route. The RAHS band will gather on West Ave. Large flatbed trailers can gather in the far right lane of Main St. between Kwik Trip and West Ave.

The parade will follow the "traditional" route. The parade will run east on Main St. from the corner of Main St. and West Ave. to the corner of Main St. and Park St. It will then turn left or north on to Park St. The parade concludes at the corner of 2nd Street and Park Street. Drivers should keep a safe distance between floats and can return to RAHS as they see fit after the parade.
May 23, 2017

Ryan,

On May 22, 2017 at the City Ordinance Committee Meeting, the Committee voted to deny your application for an Operator License.

The denial to renew is pursuant to Guideline 2 of The City of Reedsburg Policy Guidelines stating that any individual who is "convicted of any federal or state law or local ordinance...for any offense within the last five (5) years in the following subcategories... '(c) Drug-related offenses including, but not necessarily limited to, any offense involving the sale or possession of narcotics or other controlled substances.'"

Based on City Guidelines, you are prohibited from being issued a license until June 13, 2020, barring any other violations that could affect your ability to be licensed.

Additionally, pursuant to City Ordinance 12.01(4)(E), the application fee of $50.00 shall be forfeited and retained by the City.

If you have any questions, please feel free to call City Hall at 608-524-6404.

Sincerely,

Re: Operator’s License Application – Ryan Rott

I received an application for an operator’s permit from Ryan Rott. Prior to submission to the Ordinance Committee, I perform a background investigation to determine if the applicant qualifies within the City’s accepted guidelines.

Mr. Rott has the following convictions:

<table>
<thead>
<tr>
<th>Charged</th>
<th>Offense</th>
<th>Convicted</th>
</tr>
</thead>
<tbody>
<tr>
<td>5/13/2015</td>
<td>Possession of Marijuana</td>
<td>6/12/2015</td>
</tr>
</tbody>
</table>

Guideline 2: The City of Reedsburg Policy Guidelines prohibits the issuance of an Operator’s License to anyone who has been “convicted of any federal or state law or local ordinance...for any offense within the last five (5) years in the following subcategories...; (c) Drug-related offenses including, but not necessarily limited to, any offense involving the sale or possession of narcotics or other controlled substances,”. (emphasis added)

Mr. Rott was smoking marijuana in his vehicle during his lunch break at Seats, Inc. Rott initially lied to the responding officers and then consented to a search of his property. Officers located marijuana in his backpack. Rott admitted to then re-entering the Seats building and being subjected to a drug test by Human Resources, which he failed. Rott was “walked out” of Seats at that point.

Based on the City Guidelines, Mr. Rott would be prohibited from being issued a license until June 13, 2020, barring any other violations that could affect his ability to be licensed.

Re: Operator’s License Application – Amber Schell

I received a renewal application for an operator’s permit from Amber Schell. Prior to submission to the Ordinance Committee, I perform a background investigation to determine if the applicant qualifies within the City’s accepted guidelines.

Ms. Schell has the following convictions:

   11/10/12   Possession of THC (Marijuana)
   11/26/12   OWI 1st Offense
   12/14/12   OWI 2nd Offense
   09/09/13   OWI 3rd Offense

Guideline 2: The City of Reedsburg Policy Guidelines prohibits the issuance of an Operator’s License to anyone who has been convicted of “drug related offenses including, but not necessarily limited to, the sale or possession of narcotics or other controlled substances…” within the past five years.

Guideline 5: Any applicant who is a habitual law offender will not be eligible for an alcohol beverage license. A habitual law offender shall include, but not necessarily limited to, an applicant, other than an applicant for a retail license, who has been convicted of, or charged with, 4 or more violations of any rule, ordinance, statute or law, within the 5 years before the most recent application, the circumstances of which violations substantially relate to the licensed activity.

Based on the City Guidelines, Ms. Schell would be prohibited from being issued a license until November 11, 2017, barring any other violations that could affect her ability to be licensed. She was granted a license by this Committee in February 2017.

Re: Operator’s License Application – Benn Trodahl

I received an application for an operator’s permit from Benn Trodahl. Prior to submission to the Ordinance Committee, I perform a background investigation to determine if the applicant qualifies within the City’s accepted guidelines.

Mr. Trodahl has the following convictions:

<table>
<thead>
<tr>

</thead>
<tbody>
<tr>
<td>7/8/2015</td>
<td>Possession of THC</td>
<td>No Contest/Guilty</td>

<tr>
<td>7/8/2015</td>
<td>Possession of Drug Paraphernalia</td>
<td>No Contest/Guilty</td>
</tr>
</tbody>
</table>

Guideline 2: The City of Reedsburg Policy Guidelines prohibits the issuance of an Operator’s License to anyone who has been “convicted of any federal or state law or local ordinance... for any offense within the last five (5) years in the following subcategories…: (c) Drug-related offenses including, but not necessarily limited to, any offense involving the sale or possession of narcotics or other controlled substances,”. (emphasis added)

Mr. Trodahl was arrested in Wisconsin Dells for possessing marijuana (THC) and possessing drug paraphernalia (metal one-hitter pipe). Also located was a hypodermic needle from which Mr. Trodahl advised he injected heroin earlier. The arresting officer had noted that Trodahl appeared to be under the influence of heroin. Later the officer located a bundle with approximately ½ gram of heroin. Trodahl was not charged with that possession.

Based on the City Guidelines, Mr. Trodahl would be prohibited from being issued a license until July 9, 2020, barring any other violations that could affect his ability to be licensed.

Recognizing

June 28, 2017

Celebrate Homeownership in Reedsburg!

Presented this 26th day of June 2017

WHEREAS, Habitat for Humanity of Wisconsin River Area celebrates 30 years of service to Sauk, Columbia, and Iowa counties; and

WHEREAS, since its founding in the 1980's, through all of its programs and resources, Habitat for Humanity of Wisconsin River Area has assisted in placing over 70 families in simple, decent, and affordable housing; and

WHEREAS, Habitat for Humanity of Wisconsin River Area successfully combines a community-based neighborhood revitalization model with public and private finance focused on making neighborhood-based redevelopment feasible and attractive; and

WHEREAS, Habitat for Humanity of Wisconsin River Area seeks to work in partnership with all people to eliminate substandard housing in our area; and

Now, therefore, I, Dave Estes, Mayor of the City of Reedsburg, do hereby proclaim June 28th 2017 as:

Homeownership in Reedsburg!

USDA Funded - Grove Street Ground Breaking

In Witness Thereof, I have hereunto set my hand and cause the seal of the City of Reedsburg to be affixed this 26th day of June in the year 2017.

David Estes,
Mayor, City of Reedsburg
STAFF REPORT

AGENDA ITEM: III-A

To: Mayor
Common Council
Ordinance Committee

Prepared By: Tim Becker, Chief of Police
Thru: Stephen P. Compton, City Administrator
Date of Meeting: June 26, 2017

Subject: Certify Municipal Court Bond Schedule

BACKGROUND AND REQUEST

The Ordinance Committee and Common Council are being requested to certify the Municipal Court Bond Schedule, as required in City Code 9.10.

ANALYSIS

Reedsburg City Code 9.10 authorizes the Chief of Police to set/change the bond schedule with the approval of the City Council and attestation of the Chief of Police and City Clerk. The bond schedule, after a comprehensive review, is unchanged with the exception of adding 9.05(1)(CC) Representations Depicting Nudity at a fine of $350 plus costs.

STAFF RECOMMENDATION

Staff recommends approval of the presented Municipal Bond Schedule.

City Code Ordinance 9.10 Bond Schedules
2017 Municipal Court Bond Schedule
9.10 BOND SCHEDULES

A certified copy of bond schedules for the offenses set forth in this chapter shall be adopted and approved with the text as part of this ordinance and shall bear upon its face the attestation of the Clerk and the Chief of Police and shall be available to the public in the office of the Chief of Police. Changes thereafter to the bond schedule shall not be effective until entered and attested on the certified copy. Changes in the bond schedule shall be made by the Chief of Police with the approval of the Council. All approved changes shall be incorporated into the bond schedule and shall be available for public inspection.

BACKGROUND AND REQUEST

The Reedsburg Utility Commission is requesting changes to the Ordinance creating the Utility Commission. Information from the Utility General Manager was discussed with the City Administrator about 2007 adjustments to City Charter Ordinance creating the Utility Commission. These changes were not brought forward. The Introduction, 1st Reading were held May 22, 2017.

Commission Members: The members of the Reedsburg Utility Commission are listed below:

The Term of Office is established in the Wisconsin State Statutes as follows:

66.0805 Management of municipal public utility by commission. (1) Except as provided in sub. (6), the governing body of a city shall, and the governing body of a village or town may, provide for the nonpartisan management of a municipal public utility by creating a commission under this section. The board of commissioners, under the general control and supervision of the governing body, shall be responsible for the entire management of and shall supervise the operation of the utility. The governing body shall exercise general control and supervision of the commission by enacting ordinances governing the commission’s operation. The board shall consist of 3, 5 or 7 commissioners. (2) * The commissioners shall be elected by the governing body for a term, beginning on the first day of October, of as many years as there are commissioners, except that the terms of the commissioners first elected shall expire successively one each year on each succeeding first day of October. (3) The commission shall choose a president and a secretary from its membership. The commission may appoint and establish the compensation of a manager.

An additional allowance must be made to meet the section below related to the City Clerk-Treasurer:

(4) (a) The governing body of the city, village or town may provide that departmental expenditures be audited by the commission, and if approved by the president and secretary of the commission, be paid
by the city, village or town clerk and treasurer as provided by s. 66.0607; that the utility receipts be paid to a bonded cashier appointed by the commission, to be turned over to the city, village or town treasurer at least once a month; and that the commission have designated general powers in the construction, extension, improvement and operation of the utility. Actual construction work shall be under the immediate supervision of the board of public works or corresponding authority.

Ordinance 1842-17 – 2nd Revised Chapter 1.103 – Reedsburg Utility Commission Charter Ordinance
The Common Council for the City of Reedsburg, Sauk County, Wisconsin, do hereby
ordain as follows:

SECTION 1: FINDINGS AND PURPOSE.

Pursuant to Wis. Stat. See §. 66.01, 66.0101, the City of Reedsburg hereby exercises its
Constitutional home rule authority of Article XI, Section 3. of the Wisconsin Constitution and
makes the following finding of facts and amends its charter as indicated herein.

A. The City has determined to create a municipal Communications Utility within the City,
which shall be responsible to plan, acquire, construct, extend, improve, maintain, operate, lease,
dispose of, regulate and manage a communications system to be constructed within the City in
order to provide, among other things, telephone, communications, data, Internet, news, cable
television, video and information services. The Communications Utility of the City shall be under
the jurisdiction of the Communications Utility Commission and may exercise all powers necessary
or desirable to effect its purposes.

B. The City hereby finds that the creation and operation of a Communications Utility, with the
responsibilities and powers as specified above, are matters of local affairs and government within
the meaning of Article XI, Section 3 of the Wisconsin Constitution and Wis. Stat. See. 66.01-§
66.0101. It is hereby found that a communications system will provide public benefits by
providing for the continued growth and economic development of the City of Reedsburg and is,
thereby, in the best interests of the City of Reedsburg and within our local affairs and government.
The City hereby further finds that a City-owned communications system is in the public interest as
a means of facilitating the provision of telephone, communications, data, Internet, news, cable
television, video and information services to the City and its departments, the school district and
the public generally within the City of Reedsburg and surrounding areas.

C. To the extent that any provisions of Chapter 62 or 66 of the Wisconsin Statutes could be
interpreted as limiting the ability of the City of Reedsburg to create such a Communications
Utility, the City of Reedsburg hereby declares that those provisions shall not apply to the City of
Reedsburg.

DRAFTER'S NOTE: This is a Charter Ordinance pursuant to Wis. Stat. See. 66.01-§ 66.0101. It
requires a two-thirds vote of the Common Council. The ordinance is not effective until 60 days
after its passage and publication. If within the 60 days a petition signed by electors of the city or
village equal to not less than 7% of the votes cast for governor at the last general election is filed in
the clerk’s office, the charter ordinance must be submitted to a referendum and approved by a
majority of the electors who voted before it becomes effective.
SECTION II: CODE SECTION REPEALED AND RE-CREATED.

A. City of Reedsburg Code See § 1.103 is repealed.

B. City of Reedsburg Code See § 1.103 § 1.103 is re-created.

SECTION III: CODE SECTION AS RE-CREATED.

City of Reedsburg Code See § 1.103 is re-created as follows:

1.103 Utility Commission.

(1) (a) Municipal Utilities. The City of Reedsburg operates the following municipal utilities: electric, water, sanitary sewer, storm sewer, and communications utilities.

(b) The electric, water and communications utilities shall be under the jurisdiction of the Reedsburg Utility Commission, except as may be otherwise provided in the City of Reedsburg Code of Ordinances.

(2) Membership. The Utility Commission shall consist of 2 officers of the City and three citizens, appointed by the Mayor subject to confirmation of the Council, for terms of 5 years, commencing on October 1, in the year of the appointment, provided the Mayor shall stagger the initial appointments so that upon expiration of such appointments 1 member shall be appointed annually for a term of 2 years; the terms of the Commissioners first elected shall expire successively one each year on each succeeding first day of October. A vacancy shall be created in the office occupied by a member of the common council when the person ceases to be a member of the Council. Vacancies shall be filled by appointment by the Mayor, which appointments shall be subject to confirmation of the Council.

(3) Eligibility. No person shall be eligible for membership on the Commission who sells supplies and materials directly to the Commission or for use by the municipal utilities.

(4) Organization. The Commission shall organize by choosing from among its members a President and Secretary and shall appoint a Utility Clerk who shall perform the duties of a bonded cashier, shall keep accurate books and accounts of utility revenues and expenses, and shall perform such other duties as the Commission shall from time to time direct. The Utility Clerk, before taking office, shall give a bond for the faithful performance of the duties of the office in such amount as the Utility Commission shall direct.

(4) Compensation. Commission members shall receive such compensation as shall be agreed upon by the Commission and the Council, and the Commission shall fix the compensation to be paid to the Secretary.

(6) Powers and Duties.

(a) Method and Duties. The Commission shall have the entire charge, management and direction of all municipal utilities not placed under the jurisdiction of the Board of Public Works Committee subject only to the general control and supervision of the Council, with such general
control and supervision being exercised through the enactment and amendment of this Ordinance,
and to the jurisdiction of the State Public Service Commission.

(b) Employees and Consultants. The Commission may employ a manager or superintendent of
utilities and may fix his compensation. The City Engineer may be employed as a superintendent or
manager and his salary as such shall be fixed from time to time by agreement of the Commission
and Council. The Commission may employ other necessary employees and fix their
compensation. The Commission also may employ the services and fix the compensation of such
other agents or consultants as the Commission deems necessary or convenient for the operation
and management of the utilities under its jurisdiction.

(c) Rules. The Commission may make all necessary rules governing its own proceedings and
the government of the electric, water and communications utilities and all other municipal utilities
under its jurisdiction.

(d) Construction Work and Construction Contracts. Utility construction work shall be under
the immediate supervision of the Commission and all other Public Works construction under the
supervision of the Public Works Committee. The Commission shall have full authority to let bids
and enter into construction contracts in the name of the City, provided that such contracts are
necessary or convenient to the management and operation of the municipal utilities under the
Commission’s jurisdiction.

(e) Other Contracts. The Commission shall have full authority to enter into other contracts in
the name of the City, including but not limited to contracts to purchase and sell electrical power
and fuel, sell potable water and purchase and sell communications services provided that such
contracts are necessary or convenient to the management and operation of the municipal utilities
under the Commission’s jurisdiction.

(f) Purchase and Sale of Real Estate. The Commission shall have full authority to acquire and sell
interests in real estate in the name of the City as may be necessary or convenient to the
management and operation of the municipal utilities under the Commission’s jurisdiction.

(g) Other Powers. The Commission shall have such other powers as are necessary or
convenient to the management and operation of all municipal utilities not placed under the
supervision of the Public Works Committee, and the City intends that the Commission shall have
full authority respecting such utilities unless the authority is specifically withheld by statute.

(7) Utility Funds and Accounts. Utility funds shall be handled by the Treasurer Utility Clerk in
a separate account. The funds of the electric, water and communications utilities and all other
municipal utilities under the Commission’s jurisdiction shall be maintained in separate accounts.
No funds shall be transferred to the City Treasurer General Fund except in accordance with Wis.
Stat. sec. 66.069(4)(e) § 66.0811(1) and (d2).

(8) Recordings and Proceedings.
(a) The Commission shall keep books of account as prescribed by the Public Service Commission of Wisconsin, which shall be public records.

(b) The Secretary shall keep the minutes of the previous proceedings of the Commission and shall report semiannually to the Council giving a brief summary of the condition of the utilities and the manner in which funds are allocated. The Secretary shall provide members of the Council with copies of the minutes of the Utility Commission on a monthly basis.

(9) Expenditures and Receipts. Expenditures of all municipal utilities under the jurisdiction of the Utility Commission shall be audited by the Commission and if approved shall be paid by the Treasurer upon warrants signed by the President and Secretary of the Commission. Receipts of any municipal utility placed under the jurisdiction of the Public Works Committee shall be paid to the City Treasurer.

(8) Utility Expenses. Utility departmental expenditures shall be audited monthly and when approved, a voucher schedule shall be prepared and certified to the City Clerk by the Commission President and Secretary that the claims listed therein have been authorized for payment. There shall be further certifications on the schedule whether or not funds are available for payment of the claims as listed. Order checks shall then be prepared by the Utility and entered upon the books of the Utility, after which they shall be signed by the Commission President and the City Clerk, as provided by Wis. Stat. § 66.0607(4).

(9) Utility Receipts. Utility funds shall be separately accounted for by the municipal utilities under the Commission’s jurisdiction.

(10) Facsimile Signatures. Checks issued on the utility account may be signed by the facsimile signatures of the Mayor and President of the Utility Commission.

SECTION IV: VALIDITY.

Should any section, clause or provision of the ordinance be declared by the courts to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

SECTION VI: CONFLICTING PROVISIONS REPEALED.

All ordinances in conflict with any provisions of this ordinance are hereby repealed.

SECTION VII: EFFECTIVE DATE.

This ordinance shall be in force from and after its introduction and publication as provided by statute.

This ordinance becomes a part of the City of Reedsburg Code, Chapter 1.

No Parking on North Dewey south of 19th Street: Ordinance 1847-17

BACKGROUND AND REQUEST

Requests have been made by citizens to look at this intersection for a possible four way stop or something to help with safety.

ANALYSIS

After research it was determined a four-way stop isn’t warranted and the committee felt it may create more problems with traffic flow due to the hospital driveways. During the Public Works meeting Zibell and a few other members thought it may help to remove parking on Dewey south of 19th Street since there has been noticeably more parking in this area. Zibell thought it was an issue when cars park close to the intersection and create a vision problem. Public works has recommended removing parking along both sides of N. Dewey 50 feet south of 19th Street from the crosswalk.

FINANCIAL IMPACT
Cost would be minimal for two signs and paint.

STAFF RECOMMENDATION

Public Works Committee and staff recommend moving forward.

Subject: Reedsburg Arts Committee (RAC) Creation - Ordinance 1848-17

BACKGROUND AND REQUEST

The intent of the action of the City Council was to approve the Arts policy and send to ordinance the task to craft committee language. The Arts in Public Places Committee members acknowledged they would be willing to serve on a new committee. New ordinance language must be developed for the Municipal Code.

ANALYSIS

Under the adopted policy, the RAC would be an advisory committee to the Mayor and City Council. The RAC shall meet quarterly, or as needed.

The RAC shall have seven members appointed by the Mayor with approval of the Council who reside or have a business in the city. Members shall be appointed to staggered term of three years. Members who do not reside in the City limits and own a business in Reedsburg but reside in the Reedsburg School District Boundary may be appointed to RAC. Draft Chapter 2.07 language has been developed and has been placed in the attached ordinance document.

Some minor ordinance language changes were added to the Chapter 2: chapter numbering, chapter section 2.01 (4) Committee Reports and chapter 2.05 Ordinance Committee.

(d) The persons who give notice of a special meeting as set forth above shall provide a sworn affidavit stating the form of the notice, the time of delivery and the time of confirmation, if any, which notice shall be retained by the City for at least two (2) years.

(e) The City of Reedsburg, pursuant to Wis. Stats. Sec. 61.01(01), hereby elects not to be governed by the meetings provisions of Wis. Stat. sec. 62.11(2). (Rev. 07-07-13)

(4) Call To Order. The Mayor, or in his absence, the President of the Council, shall take the chair at the hour appointed, call the members of the Council to order, and may at the instance of any 2 members, order the attendance of absentees. In the absence of the Mayor and President of the Council, any member may call the Council to order, and thereupon the Council shall appoint a Chairman to preside at such meeting.

(5) Quorum. Two-thirds of the membership of the Council shall constitute a quorum for the transaction of business, although a lesser number may adjourn. The Mayor shall not be counted in determining a quorum. (Rev. 07-07-13)

(6) Order of Business. At all regular meetings the order of business shall be determined by the Mayor. (Rev. 07-07-13)

(7) Conduct of Meetings. Meetings of the Council and committees shall be open to the public except as provided in Sec. 19.85, Wis. Stats. No member shall leave a meeting of the Council or a committee without leave of absence under penalty of $5.00 for each offense. The Council may punish by fine members or other persons for disorderly behavior. (Rev. 07-07-13)

(8) Duties of Presiding Officer.
(a) The presiding officer shall decide all questions of order subject to appeal to the Council. (b) The Presiding Officer shall preserve order. If any member violates any of these rules, the presiding officer shall, or any member may, call him to order, in which case he will immediately sit down and be silent unless permitted to explain. A member called to order may appeal to the Council.

(9) Motions.
(a) To Be Reduced to Writing. Every motion or proposition except privileged motions shall be reduced to writing by the Clerk.

(b) When Before Council. When a motion is made and seconded, it shall be before the Council and shall be stated by the presiding officer or, if in writing, shall be delivered to the Clerk and read by him previous to debate.

(c) Withdrawal. After a motion is stated by the presiding officer or read by the Clerk, it shall not be withdrawn except by consent of the Council.

(d) When a Question is Before Council. When a question is before the Council, no motion shall be received except to adjourn, to lay on the table the previous question, to refer to committee, or to amend, which motions shall have precedence in the order in which made.

(10) Questions.
(a) Form of. All questions shall be put in this form: "As many as are of the opinion (as the case may be) say Aye; contrary, No."

(b) Speaking On. When a member is about to speak to a question or make a motion, he shall rise and respectfully address the presiding officer, and the presiding officer shall pronounce the name of the member entitled to the floor; and the member shall confine his remarks to the question under consideration.

June 26, 2017
2.10 Rules and Procedures

(c) Limitation on Speaking. No member shall speak more than twice on any question, no more than 10 minutes at any one time without leave of a majority of the members present, expressed by a rising vote, and the same rule shall be observed in Committee of the Whole.

(d) Putting Previous Question. When previous question shall be put in these words: "Shall the main question be now put?" It shall be admitted on demand of 2 members and, until decided, shall preclude all further amendment or debate of the main question but shall not preclude pending amendments from being put before the main question.

(e) Division of Question. The presiding officer may direct or any member may call for a division of the question when the same will admit thereof.

(11) Voting.

(a) By Mayor. The Mayor shall not be counted in determining whether a majority or other proportion of the Council has voted for a proposition and he shall not vote except in the case of a tie.

(b) Confirmation of Appointments. A majority of all the members shall be necessary for confirmation. In case of a tie, the Mayor shall have a casting vote as in other cases.

(c) Ayes and Noes. A vote by ayes and noes shall be required on any measure assessing or levying taxes, appropriating or disbursing money, or creating any liability against the City or any fund thereof. In addition, any member may require a vote by the ayes and noes. All such votes shall be recorded in the journal.

(d) Members Required to Vote. Every member present when a question is put shall vote unless the Council shall excuse him.

(e) Reconsideration. Any member who voted in the majority may have reconsideration of the vote at the same or the next succeeding regular meeting of the Council. A motion to reconsider having been made and lost shall not again be in order.

(f) Explanation of Vote. No member may explain his vote during the calling of ayes and noes. However, he may explain the reason for his dissent from the vote of the majority and have such reasons entered on the journal.

(12) Ordinances.

(a) Upon introduction of an ordinance, a public hearing shall be held at a time and date to be set by the Council. If no date is set, the hearing shall be held at the first available Council meeting after the meeting in which the ordinance is introduced. A notice of the public hearing shall be published once in the official newspaper. The ordinance shall receive its second reading at the public hearing. At such time as it is adopted, it shall be published pursuant to state statute. (Rev. 07-07-13)

(b) Any ordinance upon introduction may be referred to committee by the presiding officer or upon motion of the council.

(13) Petitions, Etc. All petitions, memorials, resolutions, and other communications shall be in writing, with a brief statement of their contents endorsed upon them together with the name of the member presenting the same. All petitions shall be presented by the presiding officer and the contents briefly explained. Petitions shall thereupon be referred to a committee.

(14) Claims. No claims shall be allowed unless itemized. Claims shall be examined and certified to be correct by a committee of the Council and reported to and audited by the Council.

(15) Suspension of Rules. Any rule hereunder may be suspended by a 2/3 vote of the members present.

(16) Alteration of Rules. Any of the rules hereunder may be altered or amended by a 2/3 vote of all the members of the Council.

June 26, 2017

(18) Agenda. An agenda shall be prepared for all meetings of the City Council by the City Administrator. The City Administrator shall advise the Mayor of the items included on the agenda. An item may be placed on the agenda by the City Administrator, Mayor, or any other Council member. An item recommended for placement on an agenda may be removed from the agenda by the Mayor. If the Mayor removes an item from the agenda, the item shall be restored to the agenda upon the request of two or more Council members.

SECTION VII.

This ordinance becomes part of City of Reedsburg Code Chapter 2.

1. Introduction
Guidelines have been created to oversee the public display of art and to serve as a road-map for future decisions related to public art in Reedsburg. The guidelines also provide an understanding of what constitutes public art and the aesthetic, economic and cultural benefits of it.

1.1 What is Public Art?
Public Art is any work of art or element of design that is sited in or on public city places (parks, buildings, right of ways, etc.) for people to experience.

1.2 Why Public Art?
Public art has the power to energize public spaces, promote community engagement and transform everyday places into attractive and meaningful environments. Public art can help a community to create a "sense of place," by developing its unique identity.

Public art is part of our history, part of our evolving culture and our collective memory; it reflects and reveals our society and adds meaning to our cities. Public art is intended to attract attention and in doing so it provides aesthetic beauty, cultural interpretation, education, inspiration, and general improvement to the civic environment. Public art provokes thought, stimulates conversation, and/or inspires movement.

Public art can also be a highly effective way of driving economic revitalization and can increase the overall personal satisfaction and attachment to a place. Therefore, public art will enhance the livability and vibrancy of Reedsburg which will result in a stronger, healthier community. It will also work to attract and retain a dynamic, diverse and entrepreneurial demographic for improved economic development.

1.3 Types of Public Art (See Appendix):
Public art can include a wide variety of media, ranging from static sculptures to live performance.

2. The Reedsburg Arts Commission (RAC)
The Reedsburg Arts Commission (RAC) is responsible for implementing the Art in Public Places Policy in Reedsburg. RAC is a volunteer advisory board that works to help the arts, culture and humanities grow and thrive in the City of Reedsburg. Along with supporting art and cultural initiatives, the RAC promotes strategic arts planning and develops guidelines for City funding of public art.

2.1 Vision
Reedsburg integrates culture and creativity into the public sphere. This invigorates the community by inviting interaction and participation, inspiring a sense of discovery, stimulating cultural
awareness, and encouraging development to further Reedsburg’s reputation as a unique place to visit and a desirable place to live.

2.2 Mission

In order to enrich the lives of both citizens and visitors, the Reedsburg Arts Commission integrates public art considerations into city planning, services, design and infrastructure. RAC offers a comprehensive approach on public art and reviews and recommends projects under the City’s Capital Improvement “Funding for the Arts” program. RAC will also be a resource to other committees and organizations to help integrate art and arts funding into new projects.

2.3 Goals:

- Increase public awareness, appreciation, and contribution of public art
- Promote an understanding of the economic value of the arts to the community
- Increase cultural tourism and grow Reedsburg’s reputation as an arts destination
- Build capacity and cooperation between public and private sectors, artists, local and regional arts organizations, members of the creative economy and community members
- Foster artistic creativity in the community and broaden public participation in the planning and creation of public artworks
- Ensure artistic integrity by recognizing the creative rights of artists and involving artists directly in concept, design and creation of artworks.
- Broaden the role of the artist in the community

3. Public Art Guidelines

Objectives

To provide guidelines by which proposed public art will be evaluated.

3.1 Guidelines

Note: These guidelines are a dynamic, working document that will be reviewed periodically by the RAC and amended as needed.

Proposed public art shall be reviewed by the RAC. Recommendations will be requested from affected boards, commissions, organizations, and associations when appropriate. Updates to City Council will be given as needed. Temporary art may be approved directly by affected committees if they comply with RAC Guidelines. Appeals will be heard by the City Council as needed.

Proposed public art will be evaluated on the following:
- Artistic Quality. The strength of the artist's concept, vision and execution of the artwork.
- Artistic Merit. The extent to which the project deepens and extends the arts' value, including the ability to foster new connections and to exemplify creativity and innovation.
- Context. The architectural, historical, geographical, geological, and socio-cultural context of the site where the artwork will be installed or displayed.
- Structural Soundness. The resistance to theft, vandalism, weathering, and/or excessive maintenance or repair costs.
- Public Safety. Artwork shall not present a hazard to public safety.
- Diversity. A range of style, scale, and exploratory as well as established art forms.
- Feasibility. Evidence of the artist's ability to successfully complete the work as proposed including: project budget, timeline, artist's experience, soundness of materials, and zoning, construction, and design guidelines.
- Donor conditions. If applicable.

Other Considerations:

- Unrestricted monetary donations to help fund public art will be accepted at any time. Donations with conditions or restrictions such as use for acquisition of a specific artwork or theme will be reviewed and accepted in accordance with this policy, and declined if the conditions or restrictions are not approved.
- If applicable, loaned artwork can be purchased if there is sufficient public support to acquire it via public fundraising, City Funding for the Arts Program, or City Council action.

3.2 Temporary Art Exhibits

Objectives

To provide guidelines for the temporary exhibit of artwork.

Guidelines

- Temporary art is artwork exhibited for 6 months or fewer.
- Temporary public art installations do not require the approval of RAC. Proposals for temporary public art may be brought before and reviewed directly by the affected committee responsible for the proposed site. Committees will follow the guidelines established by the RAC to guide their decision-making process. At their discretion, committees may request RAC review of any proposal.
- A written agreement between the artist and responsible committee will be required.

3.3 Guidelines for Accepted Artwork

Objectives: To provide guidelines for accepted art proposals.
- After the decision is made, the artist is informed and a contractual agreement is drafted setting forth the length of the loan and other terms such as location, maintenance requirements, insurance, value of artwork, installation and removal responsibility, payment schedule and other conditions pertinent to the agreement.
- Artwork may be declined at the discretion of the City Council consistent with the criteria in the public art policy guidelines.

3.4 Deaccession & Relocation of Artwork

Objectives

To provide guidelines for the relocation or withdrawal of City owned artwork.

Guidelines

Deaccessioning and Relocating should be applied by RAC only after careful evaluation including input from interested parties. Appeals may be directed to City Council.

Deaccessioning and Relocating of artwork may be considered for one or more of the following reasons:

- The condition or security of the artwork cannot be reasonably guaranteed in its present location.
- The art work presents a public safety risk.
- The artwork is damaged and repair is not feasible.
- Significant changes in the use, character or actual design of the site require a re-evaluation of the artwork's relationship to the site.
- The artwork requires excessive maintenance or has failures of design or workmanship.
- The artwork no longer meets the mission and goals of the Public Art Policy.
- A more suitable location for the artwork has been proposed.
- Note: All accepted donated works become part of the City art collection and, as such, may be relocated.

Procedures for possible deaccessioning or relocation of artwork shall be initiated by a majority vote of the RAC, affected committee, or direction from the City Council.

Procedures for deaccessioning or relocating of artwork:

- Review of any restriction which may apply to the specific work.
- Assessment of options for storage or disposition of artwork, which may include sale, trade, return to the artist, or gift.
- Analysis of reasons for deaccessioning/relocating. The RAC may seek additional information regarding the artwork from the public, the artist, local arts agencies, art galleries, curators, appraisers, or other professionals prior to making a decision.

Appendix: Types of Public Art

The table below is a general representation of various types of public art. These categories are not mutually exclusive and not necessarily controlled by the Reedsburg Arts Commission.

<table>
<thead>
<tr>
<th>Category</th>
<th>Description</th>
<th>Examples</th>

STAFF REPORT

To: Mayor and Common Council
Prepared By: Steven Zibell, Public Works
Through: Stephen P. Compton, City Administrator
Date of Meeting: June 26, 2017

Subject: West Main Street Retaining Wall – Resolution 4290-17

BACKGROUND AND REQUEST

West Main Street retaining wall is in need of repair due to failure. Wall was built in the 1990’s by the State during the reconstruction of West Main Street. Over the years we have tuck pointed the joints and rebuilt one small section. This last winter with all the rain and freeze/thawing we have noticed more shifting of the sidewalk and the wall is leaning past vertical. Request to rebuild most of this wall with a similar look and color. Funding could possibly come from the Storm water utility fund.

ANALYSIS

Bid proposals will be looked at by Public Works on June 21st and they will make a recommendation to the Council. Zibell will present their action to the Council.

FINANCIAL IMPACT

Current Fund Balance: $422,649
Budgeted in Transfer Out funds to CIP 23-595075-03 = $0.00
Would need to amend this account and add $150,000
The Project will be established in the Capital Improvement Fund.

STAFF RECOMMENDATION

This should be completed this year due to safety reasons otherwise if we wait until next year I would recommend closing down this sidewalk until we can repair the wall.

3. Flow Meter
3.1 Was the influent flow meter calibrated in the last year?
   • Yes
   • No

If No, please explain:

4. Sewer Use Ordinance
4.1 Did your community have a sewer use ordinance that limited or prohibited the discharge of excessive conventional pollutants ((C)BOD, SS, or pH) or toxic substances to the sewer from industries, commercial users, hauled waste, or residences?
   • Yes
   • No

If No, please explain:

4.2 Was it necessary to enforce the ordinance?
   • Yes
   • No

If Yes, please explain:

5. Septage Receiving
5.1 Did you have requests to receive septage at your facility?
   Septic Tanks
   Holding Tanks
   Grease Traps
   • Yes
   • No

5.2 Did you receive septage at your facility? If yes, indicate volume in gallons.
   Septic Tanks
   • Yes 72,387 gallons
   • No
   Holding Tanks
   • Yes 2,359,390 gallons
   • No
   Grease Traps
   • Yes
   • No

5.2.1 If yes to any of the above, please explain if plant performance is affected when receiving any of these wastes.
   Plant performance wasn't affected by these wastes.

6. Pretreatment
6.1 Did your facility experience operational problems, permit violations, biosolids quality concerns, or hazardous situations in the sewer system or treatment plant that were attributable to commercial or industrial discharges in the last year?
   • Yes
   • No

If yes, describe the situation and your community's response.
The dairies here in town had some high BOD and Phosphorus loadings last year that made plant operations difficult at times. We continually work with the industries in town and explore options that are the best for them and the treatment plant.

6.2 Did your facility accept hauled industrial wastes, landfill leachate, etc.?

- Yes
- No

If yes, describe the types of wastes received and any procedures or other restrictions that were in place to protect the facility from the discharge of hauled industrial wastes.

We take leachate from Grede foundry a couple times a week. This waste has been tested and doesn't affect plant performance.

If No, please explain:

#### 3. Treatment Problems

3.1 What problems, if any, were experienced over the last year that threatened treatment?

- Last year we had high phosphorus coming into the plant and a couple heavy rain events that put the plant over flow capacity.

#### 4. Other Monitoring and Limits

4.1 At any time in the past year was there an exceedance of a permit limit for any other pollutants such as chlorides, pH, residual chlorine, fecal coliform, or metals?
- Yes

Example: For a wastewater facility discharging only 6 months of the year, the multiplication factor is 12/6 = 2.0

1.2 If any violations occurred, what action was taken to regain compliance?  

We added ferric to help capture the excess phosphorus in the system and increased wasting to get it out. We also stayed in contact with the dairies in town to have them reduce phosphorus loadings if possible.
Biosolids Quality and Management

   NOTE: If you did not remove biosolids from your system, please describe your system type such as lagoons, reed beds, recirculating sand filters, etc.

   1.1.1 If you checked Other, please describe:

3. Biosolids Metals
   Number of biosolids outfalls in your WPDES permit:

3.1 For each outfall tested, verify the biosolids metal quality values for your facility during the last calendar year.

Staffing and Preventative Maintenance (All Treatment Plants)

1. Plant Staffing
   1.1 Was your wastewater treatment plant adequately staffed last year?
       • Yes
       • No
       If No, please explain:
       Could use more help/staff for:

1.2 Did your wastewater staff have adequate time to properly operate and maintain the plant and fulfill all wastewater management tasks including recordkeeping?
   • Yes
   • No
   If No, please explain:

2. Preventative Maintenance
   2.1 Did your plant have a documented AND implemented plan for preventative maintenance on major equipment items?
       • Yes (Continue with question 2)
       • No (40 points)
       If No, please explain, then go to question 3:

   2.2 Did this preventative maintenance program depict frequency of intervals, types of lubrication, and other tasks necessary for each piece of equipment?
       • Yes
       • No (10 points)

   2.3 Were these preventative maintenance tasks, as well as major equipment repairs, recorded and filed so future maintenance problems can be assessed properly?
       • Yes
       • Paper file system
       • Computer system
       • Both paper and computer system
       • No (10 points)

3. O&M Manual
   3.1 Does your plant have a detailed O&M and Manufacturer Equipment Manuals that can be used as a reference when needed?
       • Yes
       • No

4. Overall Maintenance /Repairs
   4.1 Rate the overall maintenance of your wastewater plant.
       • Excellent
       • Very good
       • Good
       • Fair
       • Poor

2.2 Was the operator-in-charge certified at the appropriate level and subclass(es) to operate this plant? (Note: Certification in subclass SS, N and A5 not required in 2016; subclass SS is basic level only.)
   - Yes (0 points)
   - No (20 points)

3. Succession Planning
3.1 In the event of the loss of your designated operator-in-charge, did you have a contingency plan to ensure the continued proper operation and maintenance of the plant that includes one or more of the following options (check all that apply)?
   - One or more additional certified operators on staff
   - An arrangement with another certified operator
   - An arrangement with another community with a certified operator
   - An operator on staff who has an operator-in-training certificate for your plant and is expected to be certified within one year
   - A consultant to serve as your certified operator
   - None of the above (20 points)

If "None of the above" is selected, please explain:

4. Continuing Education Credits
4.1 If you had a designated operator-in-charge, was the operator-in-charge earning Continuing Education Credits at the following rates?

- OIT and Basic Certification:
  - Averaging 6 or more CECs per year.
  - Averaging less than 6 CECs per year.

- Advanced Certification:
  - Averaging 8 or more CECs per year.
  - Averaging less than 8 CECs per year.

Sanitary Sewer Collection Systems

1. Capacity, Management, Operation, and Maintenance (CMOM) Program
   1.1 Do you have a CMOM program that is being implemented?
     ■ Yes
     ○ No
     If No, explain:

   1.2 Do you have a CMOM program that contains all the applicable components and items according to Wisc. Adm Code NR 210.23 (4)?
     ■ Yes
     ○ No (30 points)
     ○ N/A
     If No or N/A, explain:

   1.3 Does your CMOM program contain the following components and items? (check the components and items that apply)
     ☒ Goals [NR 210.23 (4)(a)]
     Describe the major goals you had for your collection system last year:
     Prevent overflows and backups, complete sewer cleaning and root removal on 50% of sewer lines, inspect 50% of manholes annually and enforce sewer ordinances.

     Did you accomplish them?
     ■ Yes
     ○ No
     If No, explain:

     ☒ Organization [NR 210.23 (4) (b)]
     Does this chapter of your CMOM include:
     ☒ Organizational structure and positions (eg. organizational chart and position descriptions)
     ☐ Internal and external lines of communication responsibilities
     ☐ Person(s) responsible for reporting overflow events to the department and the public
     ☒ Legal Authority [NR 210.23 (4) (c)]
     What is the legally binding document that regulates the use of your sewer system?
     Sewer ordinance chapter 13
     If you have a Sewer Use Ordinance or other similar document, when was it last reviewed and revised? (MM/DD/YYYY) 2005-08-27

     Does your sewer use ordinance or other legally binding document address the following:
     ☒ Private property inflow and infiltration
     ☒ New sewer and building sewer design, construction, installation, testing and inspection
     ☒ Rehabilitated sewer and lift station installation, testing and inspection
     ☒ Sewage flows satellite system and large private users are monitored and controlled, as necessary
     ☒ Fat, oil and grease control
     ☒ Enforcement procedures for sewer use non-compliance
     ☒ Operation and Maintenance [NR 210.23 (4) (d)]
     Does your operation and maintenance program and equipment include the following:
     ☒ Equipment and replacement part inventories
     ☒ Up-to-date sewer system map
A management system (computer database and/or file system) for collection system information for O&M activities, investigation and rehabilitation

A description of routine operation and maintenance activities (see question 2 below)

Capacity assessment program

Basement back assessment and correction

Regular O&M training

Design and Performance Provisions [NR 210.23 (4) (e)]

What standards and procedures are established for the design, construction, and inspection of the sewer collection system, including building sewers and interceptor sewers on private property?

State Plumbing Code, DNR NR 110 Standards and/or local Municipal Code Requirements

Construction, Inspection, and Testing

Others:

Overflow Emergency Response Plan [NR 210.23 (4) (f)]

3. Performance Indicators

3.1 Provide the following collection system and flow information for the past year.

| 47.95 | Total actual amount of precipitation last year in inches |
| 34    | Annual average precipitation (for your location) |
| 50    | Miles of sanitary sewer |
| 8     | Number of lift stations |
| 0     | Number of lift station failures |
| 0     | Number of sewer pipe failures |
| 0     | Number of basement backup occurrences |
| 0     | Number of complaints |
| 2.209 | Average daily flow in MGD (If available) |
| 3.128 | Peak monthly flow in MGD (If available) |
| 0.360 | Peak hourly flow in MGD (If available) |

3.2 Performance ratios for the past year:

| 0.00  | Lift station failures (failures/year) |
| 0.00  | Sewer pipe failures (pipe failures/sewer mile/yr) |
| 0.04  | Sanitary sewer overflows (number/sewer mile/yr) |
| 0.00  | Basement backups (number/sewer mile) |
| 0.00  | Complaints (number/sewer mile) |
| 1.4   | Peaking factor ratio (Peak Monthly:Annual Daily Avg) |
| 0.2   | Peaking factor ratio (Peak Hourly:Annual Daily Avg) |

4. Overflows

| LIST OF SANITARY SEWER (SSO) AND TREATMENT FACILITY (TFO) OFERFLOWS REPORTED ** |
|-------------------------------|---------------------------------|---------------------|-----------------|
| Date                          | Location                        | Cause               | Estimated Volume (MG) |
| 09/21/2016 11:00:00 PM - 09/23/2016 11:00:00 AM | TFO - Effluent Channel Structure | Rain               | 0.0120 - 0.0120  |
| 09/22/2016 4:45:00 AM - 09/22/2016 5:45:00 AM   | TFO - Secondary wetwell          | Rain               | 0.01 - 0.01     |

** If there were any SSOs or TFOs that are not listed above, please contact the DNR and stop work on this section until corrected.

What actions were taken, or are underway, to reduce or eliminate SSO or TFO occurrences in the future?

We installed bigger breakers on our secondary pumps so they won't trip out in the future.

5. Infiltration / Inflow (I/I)

5.1 Was infiltration/inflow (I/I) significant in your community last year?

- Yes
- No
If Yes, please describe:

We had some extremely heavy rains last year the were able to enter the sewer system.

5.2 Has infiltration/inflow and resultant high flows affected performance or created problems in your collection system, lift stations, or treatment plant at any time in the past year?
- Yes
- No

If Yes, please describe:
The high rain events that took place last year made it hard to treat the waste stream at times when flows were higher than design resulting in lower detention times.

5.3 Explain any infiltration/inflow (I/I) changes this year from previous years:
This year we had more do to heavy rains and water backups in the streets. This water then entered the sewer system instead of the storm water system.

5.4 What is being done to address infiltration/inflow in your collection system?
Replacement of sewer lines during street reconstruction.

</table>

Rate of return is a key indicator of financial results in any regulated utility. Any growth in plant requires that rates cover the cost of providing service and the current authorized rate is 5.25%.

As you can see, the utility performed 2.06% and 8.5% above the rate of return for 2015 and 2016 respectively, showing strong financial position.

As the communications utility has gained customers, revenues have increased in a similar trend with the exception of telephone. As more customers disconnect their landlines in preference to cell phones, growth has remained minimal, even though the utility continues to expand territory. Telephone revenues saw their second consecutive year of declining revenues that was offset by increased revenues in internet and cable.

A utility should maintain funds to cover its operations in a normal business operation cycle (i.e. quarterly, monthly) plus a contingency. In addition, utilities should have available an amount equal to one year’s capital improvements. These funding levels facilitate budgeting since there will be less concern for business cycle fluctuations.

In 2016, the utilities cash on hand continued to improve and be above the minimum recommendation of two months cash on hand. This increase in cash position can be attributed to efficiency of operations and increase in collectability.
