Reedsburg Customers:

Peterson Sanitation, Inc. would like to take this time to say "Thank You" for your continued service. We are excited to be working with you on the new One-Pass Automated Collection.

We are taking this time to inform you that new "recycle" containers (toters) are scheduled to start being delivered the week of Monday November 11th, 2019.

There will be a new Recycling pick up schedule starting December 2, 2019. Recycling will then be picked up every other week. The day of the week for your pick up will remain the same. Enclosed with this letter you will find a copy of the new schedules, along with our "Placement Guidelines" for Garbage and Recycling.

Again, the new pick up for Recycling will begin the week of December 2, 2019. The new Recycling containers (toters) are not to be used until then. If you do use them before December 2, 2019, your recycling will not be picked up.

Peterson Sanitation, Inc will send out information on the garbage containers in Jan/Feb 2020.

First pickups will be:
